Because you know I'm all about that bass

'Bout that bass, no treble

I'm all about that bass, 'bout that bass, no treble

I'm all about that bass, 'bout that bass, no treble

I'm all about that bass, 'bout that bass (bass, bass, bass, bass)

Yeah, it's pretty clear, I ain't no size two

But I can shake it, shake it, like I'm supposed to do

'Cause I got that boom boom that all the boys chase

And all the right junk in all the right places

I see the magazines (ah-ha) workin' that Photoshop (ah-ha)

We know that shit ain't real

Come on now, make it stop

If you got beauty beauty (ah-ha), just raise 'em up

'Cause every inch of you is perfect

From the bottom to the top

Yeah, my mama she told me don't worry about your size (shoo-wop, wop)

(Sha-oooh-wop, wop)

She says, boys like a little more booty to hold at night

(That booty, booty, uh, that booty, booty)

And no I won't be no stick-figure, silicone Barbie doll (shoo-wop, wop)

(Sha-oooh-wop, wop)

So, if that's what's you're into

Then go ahead and move along

Because you know I'm all about that bass

'Bout that bass, no treble

I'm all about that bass, 'bout that bass, no treble

I'm all about that bass, 'bout that bass, no treble

I'm all about that bass, 'bout that bass, hey

I'm bringing booty back

Go ahead and tell them skinny bitches that

No, I'm just playing I know y'all think you're fat

But I'm here to tell you

Every inch of you is perfect from the bottom to the top

Yeah, my mama she told me don't worry about your size (shoo-wop, wop)

(Sha-oo-h-wop, wop)

You and I travel to the beat of a different drum  
Oh, can't you tell by the way I run  
Every time you make eyes at me? Whoa  
You cry and moan and say it will work out  
But honey child I've got my doubts  
You can't see the forest for the trees  
So, don't get me wrong, it's not that I knock it  
It's just that I am not in the market  
For a boy who wants to love only me  
Yes, and I ain't sayin' you ain't pretty  
All I'm saying's I'm not ready for any person  
Place or thing to try and pull the reins in on me, so

Goodbye, I'll be leavin'

I see no sense in this cryin' and grievin'

We'll both live a lot longer if you live without me

[TOP](#)

Just sit right back

And you'll hear a tale

A tale of a fateful trip,

That started from this tropic port,

Aboard this tiny ship.

The mate was a mighty sailin' lad,

The Skipper brave and sure,

Five passengers set sail that day,

For a three hour tour,

A three hour tour.

The weather started getting rough,

The tiny ship was tossed.

If not for the courage of the fearless crew

The Minnow would be lost.

The Minnow would be lost.

The ship set ground on the shore

Of this uncharted desert isle

With Gilligan,

The Skipper too.

The millionaire

And his wife,

The movie star,  
The professor and Mary Ann,  
Here on Gilligan's Isle.

(Ending verse)

So this is the tale of our castaways,  
They're here for a long long time.  
They'll have to make the best of things,  
It's an uphill climb.

The first mate and his Skipper too  
Will do their very best,  
To make the others comf'terble  
In their tropic island nest.

No phone, no lights, no motor car,  
Not a single luxury  
Like Robinson Crusoe  
It's primitive as can be.

So join us here each week my friends,  
You're sure to get a smile,  
From seven stranded castaways  
Here on Gilligan's Isle!

I was born in the wagon of a travellin' show  
My mama used to dance for the money they'd throw  
Papa would do whatever he could  
Preach a little gospel, sell a couple bottles of  
Doctor Good

Gypsies, tramps, and thieves

We'd hear it from the people of the town

They'd call us Gypsies, tramps, and thieves

But every night all the men would come around

And lay their money down

Picked up a boy just south of Mobile  
Gave him a ride, filled him with a hot meal  
I was sixteen, he was twenty-one  
Rode with us to Memphis  
And papa woulda shot him if he knew what he'd done

Gypsies, tramps, and thieves

We'd hear it from the people of the town

They'd call us Gypsies, tramps, and thieves

But every night all the men would come around

And lay their money down

I never had schoolin' but he taught me well

With his smooth southern style

Three months later I'm a gal in trouble

And I haven't seen him for a while, uh-huh I haven't seen him for a while, uh-huh

She was born in the wagon of a travellin' show

Her mama had to dance for the money they'd throw

Grandpa'd do whatever he could

Preach a little gospel, sell a couple bottles of

Doctor Good

Gypsies, tramps, and thieves

We'd hear it from the people of the town

They'd call us Gypsies, tramps, and thieves

But every night all the men would come around

I feel the earth move under my feet  
I feel the sky tumbling down, tumbling down  
I feel my heart start to trembling  
Whenever you're around

Ooh, baby, when I see your face  
Mellow as the month of May  
Oh, darling, I can't stand it  
When you look at me that way

I feel the earth move under my feet  
I feel the sky tumbling down, tumbling down  
I feel my heart start to trembling  
Whenever you're around

Oh, darling, when you're near me  
And you tenderly call my name  
I know that my emotions  
Are something I just can't tame  
I've just got to have you, baby

I feel the earth move under my feet

I feel the sky tumbling down, tumbling down

I feel the earth move under my feet

I feel the sky tumbling down

I just lose control

Down to my very soul

I get a hot and cold all over

I feel the earth move under my feet

I feel the sky tumbling down,

Tumbling down, tumbling down...

The moment I wake up

Before I put on my makeup

I say a little prayer for you

While combing my hair, now

And wondering what dress to wear, now

I say a little prayer for you

Forever, forever, you'll stay in my heart

And I will love you

Forever and ever, we never will part

Oh, how I'll love you

Together, together, that's how it must be

To live without you

Would only mean heartbreak for me

I run for the bus, dear

While riding I think of us, dear

I say a little prayer for you

At work, I just take time

And all through my coffee break-time

I say a little prayer for you

Forever, forever, you'll stay in my heart  
And I will love you  
Forever and ever, we never will part  
Oh, how I'll love you  
Together, together, that's how it must be  
To live without you  
Would only mean heartbreak for me

Forever and ever, we never will part  
Oh, how I'll love you  
Together, together, that's how it must be  
To live without you  
Would only mean heartbreak for me

My darling, believe me  
For me there is no one but you  
Please love me too  
I'm in love with you  
Answer my prayer  
Say you love me too

Why don't you answer my prayer

You know everyday I say a little prayer

I said, I say, I say a little prayer

Don't go changing

To try and please me

You never let me down before, mhm-mmh

Don't imagine you're too familiar

And I don't see you anymore...

I would not leave you in times of trouble

We never could have come this far, mhm-mmh

I took the good times

I'll take the bad times

I take you just the way you are

Don't go trying some new fashion

Don't change the color of your hair, mhm-mmh

You always have my unspoken passion

Although I might not seem to care

I, don't want clever conversation

I never want to work that hard, mhm-mmh

I just want someone

That I can talk to

I want you just the way you are

Need to know that you will always be

The same old someone that I knew

Oh, what will it take 'til you believe in me?

The way that I believe in you

I said I love you that's forever

This I promise from the heart, mhm-mmh

I couldn't love you any better  
I love you just the way you are

[ sax solo ]

I don't want clever conversation  
I never want to work that hard, mhm-mmh

Hey, girl, whatcha doin' down there?

Dancin' alone every night

While I live right above you

I can hear your music playing

I can feel your body swaying

One floor below me

You don't even know me

I love you

Oh, my darling

Knock three times

On the ceiling if you want me

Mmm, hmm, twice on the pipe

If the answer is no

Oh, my sweetness

Means you'll meet me in the hallway

Ohh, ohh, twice on the pipe

Means you ain't gonna show

If you look out your window tonight

Pulling the string with the note

That's attached to my heart

Read how many times I saw you  
How in my silence, I adore you  
And only in my dreams did that wall  
Between us come apart

Oh, my darling

Knock three times

On the ceiling if you want me

Mmm, hmm, twice on the pipe

If the answer is no

Oh, my sweetness

Means you'll meet me in the hallway

Ohh, ohh, twice on the pipe

Means you ain't gonna show

Nibblin' on sponge cake

Watchin' the sun bake

All of those tourists covered with oil

Strummin' my six-string

On my front porch swing

Smell those shrimp

They're beginnin' to boil

Wastin' away again in Margaritaville

Searchin' for my lost shaker of salt

Some people claim that there's a woman to blame

But I know it's nobody's fault

Don't know the reason

I stayed here all season

Nothin' to show but this brand new tattoo

But it's a real beauty, a Mexican cutie

How it got here I haven't a clue

Wastin' away again in Margaritaville

Searchin' for my lost shaker of salt

Some people claim that there's a woman to blame

Now I think, hell, it could be my fault

[ instrumental ]

I blew out my flip-flop

Stepped on a pop top

Cut my heel had to cruise on back home

But there's booze in the blender

And soon it will render

That frozen concoction that helps me hang on

Wastin' away again in Margaritaville

Searchin' for my lost shaker of salt

Some people claim that there's a woman to blame

But I know it's my own damn fault

Yes, and

Some people claim that there's a woman to blame

And I know it's my own damn fault

On my own

Pretending he's beside me

All alone

I walk with him till morning

Without him

I feel his arms around me

And when I lose my way I close my eyes

And he has found me

In the rain the pavement shines like silver

All the lights are misty in the river

In the darkness, the trees are full of starlight

And all I see is him and me forever and forever

And I know it's only in my mind

That I'm talking to myself and not to him

And although I know that he is blind

Still I say, there's a way for us

I love him

But when the night is over

He is gone

The river's just a river

Without him

The world around me changes

The trees are bare and everywhere

The streets are full of strangers

I love him

But every day I'm learning

All my life

I've only been pretending

Without me

His world will go on turning

A world that's full of happiness

That I have never known

I love him

I love him

I love him

But only on my own

Those schoolgirl days

Of telling tales and biting nails are gone

But in my mind

I know they will still live on and on

But how do you thank someone

Who has taken you from crayons to perfume?

It isn't easy, but I'll try

If you wanted the sky

I would write across the sky in letters

That would soar a thousand feet high

"To sir, with love"

The time has come

For closing books and long last looks must end

And as I leave

I know that I am leaving my best friend

A friend who taught me right from wrong

And weak from strong

That's a lot to learn

What, what can I give you in return?

If you wanted the moon

I would try to make a start

But I would rather you let me give my heart

"To sir, with love"

And nothing, whoa, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest nights

You just call out my name  
And you know wherever I am  
I'll come running oh yeah baby  
To see you again  
Winter, spring, summer, or fall  
All you got to do is call  
And I'll be there, yeah, yeah yeah  
You've got a friend

If the sky above you  
Should turn dark and full of clouds  
And that old north wind  
Should begin to blow  
Keep your head together

And call my name out loud now

Soon I be knocking

You just call out my name

And you know where ever I am
