100 Years – (Key of A) ?

Five For Fighting

[TOP](#)

I'm fifteen for a moment
Caught in between ten and twenty
And I'm just dreaming
Counting the ways to where you are

I'm twenty-two for a moment
She feels better than ever
And we're on fire
Making our way back from Mars

Fifteen there's still time for you
Time to buy and time to lose
Fifteen, there's never a wish better than this
When you only got hundred years to live

I'm thirty three for a moment
Still the man, but you see I'm of age
A kid on the way
A family on my mind

I'm forty five for a moment
The sea is high
And I'm heading into a crisis
Chasing the years of my life
Fifteen there's still time for you
Time to buy, time to lose yourself, Within a morning star
Fifteen I'm all right with you

Fifteen, there's never a wish better than this
When you only got hundred years to live

Half time goes by
Suddenly you're wise
Another blink of an eye
Sixty seven is gone
The sun is getting high
We're moving on

I'm ninety nine for a moment
Dying for just another moment
And I'm just dreaming
Counting the ways to where you are

Fifteen there's still time for you
Twenty two I feel her too, Thirty three you're on your way
Every day's a new day

Fifteen there's still time for you
Time to buy and time to choose
Hey fifteen, there's never a wish better than this
When you only got hundred years to live

Alone Again Naturally – (Key of D)

Gilbert O'Sullivan

[TOP](#)

Well, in a little while from now
If I'm not feeling any less sour
I promise myself to treat myself
And visit a nearby tower
And climbing to the top
Will throw myself off
In an effort to, Make it clear to who
Ever, What it's like when you're shattered

Left standing in the lurch at a church
Where people saying, "My God, that's tough"
"She stood him up"
"No point in us remaining"
"We may as well go home"
As I did on my own

Alone again, naturally

To think that only yesterday
I was cheerful, bright and gay
Looking forward to who wouldn't do
The role I was about to play
But as if to knock me down
Reality came around

And without so much as a mere touch

Cut me into little pieces

Leaving me to doubt

Talk about, God in His mercy

Oh, if he really does exist

Why did he desert me

In my hour of need

I truly am indeed

Alone again, naturally

It seems to me that

There are more hearts broken in the world

That can't be mended

Left unattended

What do we do

What do we do

Alone again, naturally

Now looking back over the years

And whatever else that appears

I remember I cried when my father died

Never wishing to hide the tears

And at sixty-five years old

My mother, God rest her soul

Couldn't understand why the only man

She had ever loved had been taken

Leaving her to start

With a heart so badly broken

Despite encouragement from me

No words were ever spoken

And when she passed away

I cried and cried all day

Alone again, naturally

Alone again, naturally

A Song For You – (Key of Gm) Ray Charles

[TOP](#)

I've been so many places in my life and time

I've sung a lot of songs, I've made some bad rhymes

I've acted out my life on stages with ten thousand people watching

But we're alone now, and I'm singing my song for you

I know your image of me is what I hope to be

I've treated you unkindly but darlin' can't you see

There's no one more important to me

So darlin' can't you please see right through me

Cause we're alone now, and I'm singing my song for you

You taught me precious secrets

Of the truth withholding nothing

You came out in front and I was hiding

But now I'm so much better, so if my words don't come together

Listen to the melodies, 'cause my love is in there hiding

I loved you in a place

Where there's no space or time

I loved you for my life

'cause you're a friend of mine

And when my life is over

Remember when we were together,

We were alone, and I was singing my song for you

[piano improv 8 bars]

I loved you in a place

Where there's no space or time

I loved you for my life

You are a friend of mine

And when my life is over

Remember when we were together

We were alone and I was singing MY song for you

We were alone and I was singing MY song for you

We were alone and I was singing MY song

Singing my song...

Singing this song...

for you

nobody but you [piano]

[Aladdin]

I can show you the world

Shining, shimmering, splendid

Tell me, princess, now when did you last let your heart decide?

I can open your eyes

Take you wonder by wonder

Over, sideways and under on a magic carpet ride☑

A whole new world

A new fantastic point of view

No one to tell us, "no" or where to go

Or say we're only dreaming

[Princess Jasmine]

A whole new world

A dazzling place I never knew

But when I'm way up here, it's crystal clear

That now I'm in a whole new world with you

(Now I'm in a whole new world with you)

Unbelievable sights

Indescribable feeling

Soaring, tumbling, freewheeling

Through an endless diamond sky

A whole new world (don't you dare close your eyes)

A hundred thousand things to see (hold your breath, it gets better)

I'm like a shooting star, I've come so far
I can't go back to where I used to be (a whole new world)
(Every turn, a surprise)
With new horizons to pursue (every moment, red-letter)
I'll chase them anywhere
There's time to spare
Let me share this whole new world with you

A whole new world (a whole new world)
That's where we'll be (that's where we'll be)
A thrilling chase (a wondrous place)
For you and me

You fill up my senses
Like a night in a forest
Like the mountains in springtime
Like a walk in the rain
Like a storm in the desert
Like a sleepy blue ocean
You fill up my senses
Come fill me again

Come, let me love you
Let me give my life to you
Let me drown in your laughter
Let me die in your arms
Let me lay down beside you
Let me always be with you
Come, let me love you
Come love me again

[piano]

Let me give my life to you
Come, let me love you
Come love me again

You fill up my senses

Got a black magic woman

Got a black magic woman

I've got a black magic woman

Got me so blind I can't see

That she's a black magic woman

She's trying to make a devil out of me

Don't turn your back on me, baby

Don't turn your back on me, baby

Yes, don't turn your back on me, baby

Stop messing about with your tricks

Don't turn your back on me, baby

You just might pick up my magic sticks

You got your spell on me, baby

You got your spell on me, baby

Yes, you got your spell on me, baby

Turnin' my heart into stone

I need you so bad

Magic woman I can't leave you alone

Brandy (You're a Fine Girl) – ()

Looking Glass

[TOP](#)

There's a port on a western bay
And it serves a hundred ships a day
Lonely sailors pass the time away
And talk about their homes
And there's a girl in this harbor town
And she works layin' whiskey down
They say, "Brandy, fetch another round"
She serves them whiskey and wine

The sailors say, "Brandy, you're a fine girl" (You're a fine girl)

What a good wife you would be (Such a fine girl)

Yeah your eyes could steal a sailor from the sea"

Brandy wears a braided chain
Made of finest silver from the north of Spain
A locket that bears the name
Of a man that Brandy loves
He came on a summer's day
Bringin' gifts from far away
But he made it clear he couldn't stay
No harbor was his home

The sailor said, "Brandy, you're a fine girl (You're a fine girl)
What a good wife you would be (Such a fine girl)
But my life, my love, and my lady is the sea" (Do do do do...)

Yeah, Brandy used to watch his eyes
When he told his sailor's story
She could feel the ocean fall and rise
She saw its ragin' glory
But he had always told the truth (oooo, oooooo)
Lord, he was an honest man
And Brandy does her best to understand (ahhhhh)
At night, when the bars close down
Brandy walks through a silent town
And loves a man who's not around
She still can hear him say

She hears him say, "Brandy, you're a fine girl (You're a fine girl)
What a good wife you would be (Such a fine girl)
But my life, my love, and my lady is the sea"
"Brandy, you're a fine girl (You're a fine girl)
What a good wife you would be (Such a fine girl)
But my life, my love, and my lady is the sea"

Can One Man Save The World – () ? John Ondrasik

Who is this comedian?

His audience more mice than men

This superman Ukrainian, I don't know

Great-grandson of the Holocaust

An eastern heart the west has lost

Nail or carry up his cross, I don't know

But he's got everyone thinkin'

Yeah, he's got all of us thinkin'

Can one man save the world?

[chorus]

In a thousand years

Will they say your name

Or is this all in vain?

Can one man save the world?

Will you take my hand?

Will you help me stand?

Still in the end

Can one man save the world?

Olena pulls him to her breast

The bear, the devil, stabs their chest

Can one embrace raise the oppressed? I don't know

Does freedom still have appetite?

Is there the will, the goods to fight?

Can a single flame light up the night? I don't know

Yeah, but he's got you all thinkin'

'Cause everyone's thinkin'

Can one man save the world?

[chorus]

In a thousand years

Will they say your name

Or is this all in vain?

Can one man save the world?

Will you take my hand?

Will you help me stand?

Still in the end

Can one man save the world?

[coda]

"Am I alone in this?" He says

"Am I alone in this?" He says

Are we alone _____?

In a thousand years

Will they know your name?

Can one man save the world?

[chorus]

Will you take my hand?

Will you help me stand?

Still in the end

Can one man save the world?

Will you take my hand?

Raise up lesser men

In the end...

[pause]

Who is this comedian?

This steel that is Ukrainian

We die, but maybe live again

[piano chord strike]

Can't Take My Eyes Off Of You – (Key of Db)

Frankie Valli

You're just too good to be true.

Can't keep my eyes off of you.

You'd like heaven to touch.

I wanna hold you so much.

At long last love has arrived

And I thank God I'm alive.

You're just too good to be true.

Can't take my eyes off of you.

Pardon the way that I stare.

There's nothing else to compare.

The sight of you makes me weak.

There are no words left to speak,

But if you feel like I feel,

Please let me know that it's real.

You're just too good to be true.

Can't take my eyes off of you.

[HORNS]

I love you, baby,

And if it's quite alright,

I need you, baby,

To warm a lonely night.

I love you, baby.

Trust in me when I say:

Oh, pretty baby,

Don't bring me down, I pray.

Oh pretty baby,

Now that I found you, stay

And let me love you, baby.

Let me love you.

You're just too good to be true.

Can't keep my eyes off of you.

You feel like heaven to touch.

I wanna hold you so much.

At long last love has arrived

Goodbye Norma Jean

Though I never knew you at all

You had the grace to hold yourself

While those around you crawled

They crawled out of the woodwork

And they whispered into your brain

They set you on the treadmill

And they made you change your name

And it seems to me you lived your life

Like a candle in the wind

Never knowing who to cling to

When the rain set in

And I would have liked to have known you

But I was just a kid

Your candle burned out long before

Your legend ever did

Loneliness was tough

The toughest role you ever played

Hollywood created a superstar

And pain was the price you paid

Even when you died
Oh the press still hounded you
All the papers had to say
Was that Marilyn was found in the nude

And it seems to me you lived your life
Like a candle in the wind
Never knowing who to cling to
When the rain set in
And I would have liked to have known you
But I was just a kid
Your candle burned out long before
Your legend ever did

Goodbye Norma Jean
Though I never knew you at all
You had the grace to hold yourself
While those around you crawled
Goodbye Norma Jean
From the young man in the twenty second row
Who sees you as something more than sexual
More than just our Marilyn Monroe

And it seems to me you lived your life
Like a candle in the wind

Never knowing who to cling to

When the rain set in

And I would have liked to have known you

But I was just a kid

Your candle burned out long before

Your legend ever did

And I would have liked to have known you

But I was just a kid

Your candle burned out long before

Your legend ever did

Celebrate Me Home – (Key of Eb) Kenny Loggins

[TOP](#)

Home for the holidays,
I believe I've missed each and every face,
Come on and play my music,
Let's turn on the love light in the place
It's time I found myself,
Totally surrounded in your circles
Whoa, my friends

Please, celebrate me home,
Give me a number,
Please, celebrate me home
Play me one more song,
That I'll always remember,
And I can recall,
Whenever I find myself too all alone,
I can sing me home.

Uneasy highway,
Traveling where the Westerly winds can fly,
Somebody tried to tell me,
But the man forgot to tell me why,
I gotta count on being gone,
Come on mama, come on daddy,

Hear what you want from me,
I'll be strong, I'll be weak

Please, celebrate me home,
Give me a number,
Please, celebrate me home
Play me one more song,
That I'll always remember,
I can recall,
Whenever I find myself too all alone,
I can make believe I've never gone,
I never know where I belong,
Sing me home.

Please, celebrate me home,
Give me a number,
Please, celebrate me home
Play me one more song, y'all....

Celebrate, celebrate
Celebrate, celebrate
Celebrate, celebrate
Celebrate me home
Please, celebrate me home,
Please, celebrate me home,

Well I'm finally here,
But I'm bound to roam,
Come on celebrate me home

Well I'm finally here,
But I'm bound to roam,
Come on celebrate me home

Well I'm finally here,
But I'm bound to roam,
Come on celebrate me home

Please, celebrate me home,
Please, celebrate me home

Everything has its season

Everything has its time

Show me a reason

And I'll soon show you a rhyme

Cat's fit on the window sill

Children fit in the snow

Why do I feel I don't fit in

Anywhere I go

Rivers belong where they can ramble

Eagles belong where they can fly

I've got to be where my spirit can run free

Gotta find my corner of the sky

Every man has his daydream

Everyman has his goal

People like the way dreams have of

Sticking to the soul

Thunder clouds have their lightning

Nightingales have their song

And don't you see I want my life

To be something more than long

Rivers belong where they can ramble
Eagles belong where they can fly
I've got to be where my spirit can run free
Gotta find my corner of the sky

So many men seem destined
to settle for something small
But I won't rest
'til I know I have it all
So don't ask where I'm going
Just listen when I'm gone
And far away you'll hear me singing
Softly to the dawn

Rivers belong where they can ramble,
Eagles belong where they can fly_____
I've got to be where my spirit can run free
Gotta find my corner of the sky_____

Flyin' me back to Memphis

Well the summer's gone
And I hope she's feelin' the same
Well I left her just to roam the city
Thinkin' it would ease the pain
I'm a crazy man and I'm playin' my crazy game, game

Does she really love me I think she does
Like the stars above me I know, because
when the sky is bright
Everything's all right

Flyin' me back to Memphis
Honey keep the oven warm
Well the clouds are clearin'
And I think we're over the storm
Well I been pickin' it up around me
Daisy I think I'm sane
Well I'm awful glad
And I guess you're really to blame, blame

Do you really love me
I hope you do
Like the stars above me how I love you
When it's cold at night
Everything's all right

Does she really love me I think she does
Like the stars above me I know, because

People smile and tell me I'm the lucky one
And we've just begun
Think I'm gonna have a son
He will be like she and me, as free as a dove
Conceived in love
Sun is gonna shine above

And even though we ain't got money
I'm so in love with you, honey
Everything will bring a chain of love
And in the morning, when I rise
You bring a tear of joy to my eyes
And tell me everything is gonna be alright

Seems as though, a month ago, I was Beta-Chi
Never got high
Oh, I was a sorry guy
And now, I smile and face the girl that shares my name
Now I'm through with the game
This boy will never be the same

And even though we ain't got money
I'm so in love with you, honey
And everything will bring a chain of love
And in the morning, when I rise
You bring a tear of joy to my eyes
And tell me everything is gonna be alright

Pisces, Virgo rising is a very good sign

Strong and kind
And the little boy is mine
Now I see a family where there once was none
Now we've just begun
Yeah, we're gonna fly to the sun

And even though we ain't got money
I'm so in love with you, honey
And everything will bring a chain of ↑ love
And in the morning, when I rise
You bring a tear of joy to my eyes
And tell me everything is gonna be alright

Love the girl who holds the world in a paper cup
Drink it up
Love her and she'll bring you luck
And if you find she helps your mind, better take her home
Don't you live alone
Try to earn what lovers own

And even though we ain't got money
I'm so in love with you, honey
And everything will bring a chain of ↑ love

Desperado, why don't you come to your senses?

You been out ridin' fences for so long now

Oh, you're a hard one but I know that you got your reasons

These things that are pleasin' you can hurt you somehow

Don't you draw the queen of diamonds boy

She'll beat you if she's able

You know the queen of hearts is always your best bet

Now it seems to me, some fine things

Have been laid upon your table

But you only want the ones that you can't get

Desperado, oh you ain't gettin' no younger

Your pain and your hunger, they're drivin' you home

And freedom, oh freedom, well that's just some people talkin'

Your prison is walkin' through this world all alone

Don't your feet get cold in the winter time?

The sky won't snow and the sun won't shine

It's hard to tell the night time from the day

You're losin' all your highs and lows

Ain't it funny how the feelin' goes away_____?

Desperado, why don't you come to your senses?

Come down from your fences, open the gate

It may be rainin' but there's a rainbow above you

You better let somebody love you

(Let somebody love you)

You better let somebody love you, boy... before it's too _____ late _____

Does Anybody Really Know What Time It Is? – (G) ★ Chicago

[TOP](#)

As I was walking down the street one day
A man came up to me and asked me what the time was that was on my watch, yeah
And I said

Does anybody really know what time it is
Does anybody really care
If so I can't imagine why
We've all got time enough to cry

And I was walking down the street one day
A pretty lady looked at me and said her diamond watch had stopped cold dead
And I said

Does anybody really know what time it is
Does anybody really care
If so I can't imagine why
We've all got time enough to cry

And I was walking down the street one day
Being pushed and shoved by people trying to beat the clock, oh, no I just don't know
I don't know

And I said, yes I said

Does anybody really know what time it is
Does anybody really care
If so I can't imagine why
We've all got time enough to die

Everybody's running

I don't care about time

Oh no, I don't care

[SPOKEN OVER THE THIRD VERSE]

People runnin' everywhere

Don't know where to go

Don't know where I am

Can't see past the next step

Don't have time to think past the last mile

Have no time to look around

Just run around, run around and think why

Don't Let Me Be Lonely Tonight – () James Taylor

Do me wrong, do me right
Tell me lies, but hold me tight
Save your good-byes for the morning light
But don't let me be lonely tonight

Say good-bye and say hello
Sure 'nough good to see you
But it's time to go
Don't say yes, but please
Don't say no
I don't want to be lonely tonight

Go away then, damn you
Go on and do as you please, yeah
You ain't gonna see me getting down on my knees
I'm undecided and your heart's been divided
You've been turning my world upside down

Do me wrong, do me right, right now baby
Go on and tell me lies, but hold me tight
Save your good-byes for the morning light, morning light
But don't let me be lonely tonight
I don't want to be lonely tonight
No, no, I don't want to be lonely tonight

You're a falling star, you're the get-away car.
You're the line in the sand when I go too far.
You're the swimming pool on an August day.
And you're the perfect thing to say.

And you play it coy, but it's kinda cute.
Ah, when you smile at me you know exactly what you do.
Baby, don't pretend that you don't know it's true.
'Cause you can see it when I look at you.

And in this crazy life, and through these crazy times
It's you, it's you, you make me sing.
You're every line, you're every word, you're everything.

You're a carousel, you're a wishing well,
And you light me up, when you ring my bell.
You're a mystery, you're from outer space,
You're every minute of my every day.

And I can't believe, uh, that I'm your man,
And I get to kiss you, baby, just because I can.
Whatever comes our way, ah, we'll see it through,
And you know that's what our love can do.

And in this crazy life, and through these crazy times
It's you, it's you, you make me sing.
You're every line, you're every word, you're everything

So, la, la, la, la, la, la, la

So, la, la, la, la, la, la, la

And in this crazy life, and through these crazy times

It's you, it's you, you make me sing

You're every line, you're every word, you're everything -ing -ing

You're every song,

And I sing along.

'Cause you're my everything.

It's not time to make a change,

Just relax, take it easy

You're still young, that's your fault,

There's so much you have to know

Find a girl, settle down,

If you want you can marry

Look at me, I am old, but I'm happy

I was once like you are now, and I know that it's not easy,

To be calm when you've found something going on

But take your time, think a lot,

Why, think of everything you've got

For you will still be here tomorrow, but your dreams may not

How can I try to explain, when I do he turns away again

It's always been the same, same old story

From the moment I could talk I was ordered to listen

Now there's a way and I know that I have to go away

I know I have to go

[GUITAR SOLO]

It's not time to make a change, (away, away, away)

Just sit down, take it slowly

You're still young, (I) that's your fault, (know)

There's so much you have to go through

(I have to make this decision)

Find a girl, settle down, (alone)

If you want you can marry

Look at me, (no)

I am old, but I'm happy

All the times that I cried, (stay, stay, stay)
keeping all the things I knew inside,
It's hard, (why) but it's harder to ignore it (must you go)
If they were right, I'd agree, (and make this decision)

Just yesterday mornin', they let me know you were gone
Suzanne, the plans they made put an end to you
I walked out this morning and I wrote down this song
I just can't remember who to send it to

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Won't you look down upon me, Jesus?
You've got to help me make a stand
You've just got to see me through another day
My body's aching and my time is at hand
And I won't make it any other way

Oh, I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Been walking my mind to an easy time
My back turned towards the sun
Lord knows, when the cold wind blows
It'll turn your head around

Well, there's hours of time on the telephone line
To talk about things to come
Sweet dreams and flying machines in pieces on the ground

Oh, I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you, baby
One more time again, now

Thought I'd see you one more time again
There's just a few things coming my way this time around, now
Thought I'd see you, thought I'd see you, fire and rain, now

I've heard it said that people come into our lives
For a reason, bringing something we must learn
And we are led to those who help us most to grow
If we let them, and we help them in return
Well, I don't know if I believe that's true
But I know I'm who I am today because I knew you

Like a comet pulled from orbit as it passes a sun
Like a stream that meets a boulder halfway through the wood
Who can say if I've been changed for the better? But,
because I knew you, I have been changed for good

Elphaba

*It well may be that we will never meet again
In this lifetime, so let me say before we part
So much of me is made of what I learned from you
You'll be with me like a handprint on my heart
And now whatever way our stories end
I know you have re-written mine by being my friend*

*Like a ship blown from its mooring by a wind off the sea
Like a seed dropped by a skybird in a distant wood
Who can say if I've been changed for the better? But,
because I knew you...*

Glinda

Because I knew you...

Both

I have been changed for good

Elphaba

And just to clear the air, I ask forgiveness

For the things I've done you blame me for

Glinda

But then, I guess we know there's blame to share

Both

And none of it seems to matter anymore

Glinda & Elphaba

Oh, like a comet pulled from orbit as it passes the sun

Can you ever think of any better way
For the lost and weary travelers to go?

Making friends for the world to see
Let the people know you got what you need
With a friend at hand you will see the light
If your friends are there, then everything's all right

It seems to me a crime that we should age
These fragile times should never slip us by
A time you never can or shall erase

Everybody needs a little time away

I heard her say

From each other

Even lovers need a holiday

Far away from each other

Hold me now

It's hard for me to say I'm sorry

I just want you to stay

After all that we've been through

I will make it up to you

I promise to

And after all that's been said and done

You're just a part of me I can't let go

Couldn't stand to be kept away

Just for the day

From your body

Wouldn't want to be swept away

Far away from the one that I love

Hold me now

It's hard for me to say I'm sorry

I just want you to know

Hold me now

I really want to tell you I'm sorry

I could never let you go

After all that we've been through

I will make it up to you

I thought, I thought of every possibility

And I know someday that it'll all turn out

You'll make me work, so we can work to work it out

And I promise you, kid, that I give so much more than I get

I just haven't met you yet

[mmm mmm mmm]

I might have to wait, I'll never give up

I guess it's half timing, and the other half's luck

Wherever you are, whenever it's right

You'll come out of nowhere and into my life

And I know that we can be so amazing

And, baby, your love is gonna change me

And now I can see every possibility [hmmm]

But what you're after

Now that we've grown apart

Well the only way to start

When you can't give love

You give alibis

Now I'm gonna do right

This time I gotta do right

I don't wanna leave

I don't wanna say good-bye

Sooner or later

Honey, there comes a time

Tomorrow, when you gotta do right

Come on home

Darlin'

Tell the truth

Don't turn away

From this one last chance

To touch each others heart

Does anything last forever

I don't know

Maybe we're near the end
So come and tell me
So Darlin' how
can we go on together
Now that we've grown apart
Well the only way to start
Is heart to heart
(Why are you so torn apart)
I need a little more lovin' in my heart

So how was I to know
Love that's come through years and years
Can't find a way back home

Was everything a man could want to do

How can you stop the sun from shining? What makes the world go round?

How can you mend this broken man?

How can a loser ever win?

Please help me mend my broken heart and let me live again

La da la da da

I can still feel the breeze that rustles through the trees

And misty memories of days gone by

I could never see tomorrow, no one said a word about the sorrow

And, how can you mend a broken heart? How can you stop the rain from falling down?

How can you stop the sun from shining? What makes the world go round?

When I look into your eyes
It's like watching the night sky
Or a beautiful sunrise
There's so much they hold

And just like them old stars
I see that you've come so far
To be right where you are
How old is your soul?

I won't give up on us
Even if the skies get rough
I'm giving you all my love
I'm still looking up

And when you're needing your space
To do some navigating
I'll be here patiently waiting
To see what you find

↑ Cause even the stars, they burn
Some even fall to the earth
We've got a lot to learn

God knows we're worth it

No, I won't give up

↓ I don't wanna be someone who walks away so easily
I'm here to stay and make the difference that I can make

Our differences, they do a lot to teach us how to use
The tools and gifts we got yeah, we got a lot at stake

And in the end, you're still my friend at least we did intend
For us to work, we didn't break, we didn't burn

We had to learn
how to bend
without the world
caving in

I had to learn
what I've got,
and what I'm not
And who I am

↑ I won't give up on us
Even if the skies get rough

I'm giving you all my love

I'm still looking up

Still looking up

I won't give up on us

God knows I'm tough enough

We've got a lot to learn

God knows we're worth it

Just to hear her say I love you one more time
But when he heard the sound
Of the kids laughing in the background
Had to wipe away a tear from his eye
A little voice came on the phone
Said "Daddy when you coming home"
He said the first thing that came to his mind

I'm already there

Take a look around

I'm the sunshine in your hair

I'm the shadow on the ground

I'm the whisper in the wind

I'm your imaginary friend

And I know I'm in your prayers

Oh I'm already there

She got back on the phone
Said I really miss you darling
Don't worry about the kids they'll be alright
Wish I was in your arms
Lying right there beside you
But I know that I'll be in your dreams tonight
And I'll gently kiss your lips
Touch you with my fingertips
So turn out the light and close your eyes

I'm already there
Don't make a sound
I'm the beat in your heart
I'm the moonlight shining down
I'm the whisper in the wind
And I'll be there until the end
Can you feel the love that we share

One more hour and my life will be through, hold on, hold on

I told him I'm in no hurry
But if I broke her heart, then won't you tell her I'm sorry
And for once in my life I'm alone
And I've got to let her know, just in time before I go

I've just got to get a message to you, hold on, hold on
One more hour and my life will be through, hold on, hold on

Well I laughed but that didn't hurt
And it's only her love, that keeps me wearing this dirt
Now I'm crying but deep down inside
Well I did it to him, now it's my turn to die

I've just got to get a message to you, hold on, hold on
One more hour and my life will be through, hold on, hold on

I've just got to get a message to her, hold on, hold on

One more hour and my life will be through, hold on

If I Die Young – ()

The Band Perry

[TOP](#)

If I die young, bury me in satin
Lay me down on a bed of roses
Sink me in the river at dawn
Send me away with the words of a love song
Oh-oh, oh-oh

Lord make me a rainbow, I'll shine down on my mother
She'll know I'm safe with you when she stands under my colors
Oh, and life ain't always what you think it oughta be, no
Ain't even gray, but she buries her baby
The sharp knife of a short life
Well, I've had just enough time

If I die young, bury me in satin
Lay me down on a bed of roses
Sink me in the river at dawn
Send me away with the words of a love song

The sharp knife of a short life
Well, I've had just enough time

And I'll be wearing white, when I come into your kingdom
I'm as green as the ring on my little cold finger
I've never known the lovin' of a man
But it sure felt nice when he was holding my hand
There's a boy here in town, says he'll love me forever
Who would have thought forever could be severed by

The sharp knife of a short life
Well, I've had just enough time

So put on your best boys and I'll wear my pearls
What I never did is done

A penny for my thoughts, oh no, I'll sell 'em for a dollar

They're worth so much more after I'm a goner

And maybe then you'll hear the words I been singing

Funny when you're dead how people start listenin'

If I die young bury me in satin

Lay me down on a bed of roses

Sink me in the river at dawn

Send me away with the words of a love song

Oh-oh (Oh-oh)

The ballad of a dove

Go with peace and love

Gather up your tears, keep 'em in your pocket

Save 'em for a time when you're really gonna need 'em oh

The sharp knife of a short life

Well, I've had just enough time

So put on your best boys, and I'll wear my pearls

If You Could Read My Mind – (Key of G) ★ 😊😊

Gordon Lightfoot

[TOP](#)

If you could read my mind, love
What a tale my thoughts could tell
Just like an old-time movie
'Bout a ghost from a wishing well
In a castle dark or a fortress strong
With chains upon my feet
You know that ghost is me
And I will never be set free
As long as I'm a ghost that you can't see

If I could read your mind, love,
What a tale your thoughts could tell
Just like a paperback novel
The kind the drugstores sell
When you reached the part where the heartaches come
The hero would be me
But heroes often fail
And you won't read that book again
Because the ending's just too hard to take!

[piano for 4]

I'd walk away like a movie star
Who gets burned in a three-way script
Enter number two
A movie queen to play the scene
Of bringing all the good things out in me
But for now, love, let's be real
I never thought I could act this way
And I've got to say that I just don't get it
I don't know where we went wrong
But the feeling's gone
And I just can't get it back

If you could read my mind, love
What a tale my thoughts could tell
Just like an old time movie
'Bout a ghost from a wishing well
In a castle dark or a fortress strong
With chains upon my feet
But stories always end
And if you read between the lines
You'd know that I'm just tryin' to understand
The feelin's that you lack

I never thought I could feel this way
And I've got to say that I just don't get it
I don't know where we went wrong
But the feelin's gone
And I just can't get it back!

I'll Have to Say I Love You in a Song – () ★

Jim Croce

[TOP](#)

Well, I know it's kind of late

I hope I didn't wake you

But what I got to say can't wait

I know you'd understand

Every time I tried to tell you

The words just came out wrong

So I'll have to say I love you in a song

Yeah, I know it's kind of strange

But every time I'm near you

I just run out of things to say

I know you'd understand

Every time I tried to tell you

The words just came out wrong

So I'll have to say I love you in a song

Every time the time was right

All the words just came out wrong

So I'll have to say I love you in a song

Yeah, I know it's kind of late

I hope I didn't wake you

But there's something that I just got to say

I know you'd understand

Every time I tried to tell you

The words just came out wrong
So I'll have to say I love you in a song

I can't count the times

Almost said what's on my mind

But I didn't

Just the other day

I wrote down all the things I'd say

But I couldn't

I just couldn't

Baby I know that you've been wondering

Mmm, so here goes nothing

In case you didn't know

Baby I'm crazy 'bout you

And I would be lying if I said

That I could live this life without you

Even though I don't tell you all the time

You had my heart a long, long time ago

In case you didn't know

The way you look tonight

That second glass of wine

That did it, mmm

There was something 'bout that kiss

Girl it did me in

Got me thinking

I'm thinking

One of the things that I've been feeling

Mmm it's time you here 'em

In case you didn't know

Baby I'm crazy 'bout you

And I would be lying if I said

That I could live this life without you

Even though I don't tell you all the time

You had my heart a long, long time ago

In case you didn't know

You've got all of me

I belong to you

Yeah you're my everything

[pause]

In case you didn't know

I'm crazy 'bout you

I would be lying if I said

That I could live this life without you

Just My Imagination – ()

Temptations

[TOP](#)

Each day through my window

I watch her as she passes by

I say to myself

You're such a lucky guy

To have a girl like her

Is truly a dream come true

Out of all the fellas in the world

She belongs to you

But it was just my imagination

Runnin' away with me-once again

Seems it was just my imagination

Runnin' away with me

Soon we'll be married

And raise a family, oh yeah

Have a cozy little house in the country

With two kids maybe three

I tell you I can visualize it all

This couldn't be a dream, for too real it all seems

But it was just my imagination

Runnin' away with me-once again

Seems it was just my imagination

Runnin' away with me

Every night on my knees I pray

Dear Lord hear my plea

Don't ever let another take her away from me

For I would surely die

Her love is heavenly

When her arms enfold me I hear a tender rhapsody

But in reality, she doesn't even know me

'Cause it was

But it was just my imagination

Runnin' away with me-once again

Seems it was just my imagination

Runnin' away with me

Don't go changing

To try and please me

You never let me down before, mhm-mmh

Don't imagine you're too familiar

And I don't see you anymore...

I would not leave you in times of trouble

We never could have come this far, mhm-mmh

I took the good times

I'll take the bad times

I take you just the way you are

Don't go trying some new fashion

Don't change the color of your hair, mhm-mmh

You always have my unspoken passion

Although I might not seem to care

I, don't want clever conversation

I never want to work that hard, mhm-mmh

I just want someone

That I can talk to

I want you just the way you are

Need to know that you will always be

The same old someone that I knew

Oh, what will it take 'til you believe in me?

The way that I believe in you

I said I love you that's forever

This I promise from the heart, mhm-mmh

I couldn't love you any better

I love you just the way you are

[sax solo]

I don't want clever conversation

I never want to work that hard, mhm-mmh

I want you just the way you are..... Oh oh oh

I've never seen you looking so lovely as you did tonight
I've never seen you shine so bright, hmm hmm hmmmmmm
I've never seen so many men ask you if you wanted to dance
They're looking for a little romance, given half a chance
I have never seen that dress you're wearing
Or the highlights in your hair that catch your eyes
I have been blind

Lady in red
Is dancing with me
Cheek to cheek
There's nobody here
It's just you and me
It's where I want to be
But I hardly know
This beauty by my side
I'll never forget
The way you look tonight

I've never seen you looking so gorgeous as you did tonight
I've never seen you shine so bright, you were amazing
Never seen so many people want to be there by your side

And when you turned to me and smiled, it took my breath away

I have never had such a feeling

Such a feeling of complete and utter love

As I do tonight

The lady in red

Is dancing with me

Cheek to cheek

There's nobody here

It's just you and me

It's where I want to be

But I hardly know

This beauty by my side – whooo, whooo

I'll never forget

The way you look tonight night

I never will forget

The way you look tonight

I took my love, I took it down
Climbed a mountain and I turned around
And I saw my reflection in the snow covered hills
'Til the landslide brought me down
Oh, mirror in the sky, what is love?
Can the child within my heart rise above?
Can I sail through the changin' ocean tides?
Can I handle the seasons of my life?
Mmm

Well, I've been 'fraid of changin'
'Cause I've built my life around you
But time makes you bolder
Even children get older
And I'm gettin' older, too

[solo]

Well, I've been 'fraid of changin'
'Cause I've built my life around you
But time makes you bolder
Even children get older
And I'm gettin' older, too

I'm gettin' older, too

Ah, take my love, take it down

Oh, climb a mountain and turn around

And if you see my reflection in the snow covered hills

Well, the landslide will bring it down

And if you see my reflection in the snow covered hills

When I find myself in times of trouble, Mother Mary comes to me

Speaking words of wisdom, let it be

And in my hour of darkness she is standing right in front of me

Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be

Whisper words of wisdom, let it be

And when the broken-hearted people living in the world agree

There will be an answer, let it be

For though they may be parted, there is still a chance that they will see

There will be an answer, let it be

Let it be, let it be, let it be, let it be

Yeah, there will be an answer, let it be

Let it be, let it be, let it be, let it be

Whisper words of wisdom, let it be

[piano / solo]

Let it be, let it be, let it be, yeah, let it be

Whisper words of wisdom, let it be

And when the night is cloudy there is still a light that shines on me

Shine until tomorrow, let it be

I wake up to the sound of music, Mother Mary comes to me

Speaking words of wisdom, let it be

Let it be, let it be, let it be, yeah, let it be

There will be an answer, let it be

Longer than ... There've been fishes in the ocean
Higher than any bird ever flew
Longer than there've been
Stars up in the heavens
I've been in love with you

Stronger than ... Any mountain cathedral
Truer than any tree ever grew
Deeper than
Any forest primeval
I am in love with you

I'll bring fire in the winters
You'll send showers in the springs
We'll fly through
The falls and summers
With love on our wings

Through the years ... As the fire starts to mellow
Burning lines
In the book of our lives

Though the binding cracks
And the pages start to yellow
I'll be in love with you
I'll be in love with you

Higher than any bird ever flew

Longer than

There've been stars up in the heavens

Sometimes you gotta lose somebody

Just to find out, you really love someone

Oh, oh, Yeah, sometimes you gotta lose somebody

So don't tell me it's too late

Hearts are made to bend

Baby, please don't make me break, yeah

'Cause now you're moving on And I don't know what to say 'cause

You let go (Yeah, you let go), And now I'm holding on (I'm holding on)

City girls just seem to find out early
How to open doors with just a smile
A rich old man And she won't have to worry
She'll dress up all in lace and go in style

Late at night a big old house gets lonely
I guess every form of refuge has its price
And it breaks her heart to think her love is only
Given to a man with hands as cold as ice

So she tells him she must go out for the evening
To comfort an old friend who's feelin' down
But he knows where she's goin' as she's leavin'
She is headed for the cheatin' side of town

You can't hide your lyin' eyes
And your smile is a thin disguise
I thought by now you'd realize
There ain't no way to hide your lyin' eyes

On the other side of town a boy is waiting
With fiery eyes and dreams no one could steal
She drives on through the night anticipating

'Cause he makes her feel the way she used to feel

She rushes to his arms, they fall together

She whispers that it's only for awhile

She swears that soon she'll be comin' back forever

She pulls away and leaves him with a smile

You can't hide your lyin' eyes

And your smile is a thin disguise

I thought by now you'd realize

There ain't no way to hide your lyin' eyes

She gets up and pours herself a strong one

And stares out at the stars up in the sky

Another night, it's gonna be a long one

She draws the shade and hangs her head to cry

She wonders how it ever got this crazy

She thinks about a boy she knew in school

Did she get tired or did she just get lazy?

She's so far gone she feels just like a fool

My oh my, you sure know how to arrange things

You set it up so well, so carefully

Ain't it funny how your new life didn't change things?

You're still the same old girl you used to be

You can't hide your lyin' eyes

And your smile is a thin disguise

I thought by now you'd realize

There ain't no way to hide your lyin' eyes

There ain't no way to hide your lyin' eyes

Honey, you can't hide your lyin' eyes

Hey have you ever tried

Really reaching out for the other side?

I may be climbing on rainbows

But baby, here goes

Dreams are for those who sleep

Life is for us to keep

And if you're wondering what this song is leading to,

I want to make it with you

I really think that we could make it, girl

Though you don't know me well

And every little thing only time will tell

If you believe the things that I do,

Then we'll see it through

Life can be short or long

Love can be right or wrong

And if I chose the one I'd like to help me through

I'd like to make it with you

I really think that we could make it, girl

Baby you know that dreams there for those who sleep

Wake up Maggie

It's late September and I really should be back at school

I know I keep you amused,

But I feel I'm being used

Oh Maggie, I couldn't have tried anymore

You led me away from home

Just to save you from being alone

You stole my heart and that's what really hurts

[instrumental]

The morning sun when it's in your face

Really shows your age

But that don't worry me none, in my eyes you're everything

I laughed at all of your jokes

My love you didn't need to coax

Oh Maggie, I couldn't have tried anymore

You led me away from home

Just to save you from being alone

You stole my soul and that's a pain I can do without

All I needed was a friend to lend, a guiding hand

But you turned into a lover

And Mother what a lover, you wore me out

All you did was wreck my bed

And in the morning kick me in the head

Oh Maggie I couldn't have tried anymore

You led me away from home

'Cause you didn't want to be alone
You stole my heart, I couldn't leave you if I tried

[instrumental]

I suppose I could collect my books and get on back to school
Or steal my daddy's cue and make a living out of playing pool
Or find myself a rock and roll band
That needs a helpin' hand

Oh Maggie, I wished I'd never seen your face
You made a first-class fool out of me
But I'm as blind as a fool can be
You stole my heart but I love you anyway

Maggie, I wished I'd never seen your face

I'll get on back home, one of these days

Ooooooo whoooo whoo

Laughed, clicked his heels and stepped

He said the name Bojangles and he danced a lick

Going out tonight

Changes into something red

Her mother doesn't like that kind of dress

Everything she never had she's showing off

Driving too fast

Moon is breaking through her hair

She said it was something that she won't forget

Having no regrets is all that she really wants

We're only getting older baby

And I've been thinking about it lately

Does it ever drive you crazy

Just how fast the night changes?

Everything that you've ever dreamed of

Disappearing when you wake up

But there's nothing to be afraid of

Even when the night changes

It will never change me and you

Chasing it tonight,

Doubts are running 'round her head

He's waiting, hides behind a cigarette

Heart is beating loud, she doesn't want it to stop

Moving too fast

Moon is lighting up her skin
She's falling, doesn't even know it yet
Having no regrets is all that she really wants
We're only getting older baby
And I've been thinking about it lately
Does it ever drive you crazy
Just how fast the night changes?
Everything that you've ever dreamed of
Disappearing when you wake up
But there's nothing to be afraid of
Even when the night changes
It will never change me and you
Going out tonight
Changes into something red
Her mother doesn't like that kind of dress
Reminds her of a missing piece of innocence she lost
We're only getting older baby
And I've been thinking about it lately
Does it ever drive you crazy
Just how fast the night changes?
Everything that you've ever dreamed of
Disappearing when you wake up
But there's nothing to be afraid of
Even when the night changes
It will never change, baby

It will never change, baby

It will never change me and you

No Frontiers – ()

If life is a river and your heart is a boat
And just like a water baby, baby born to float
And if life is a wild wind that blows way on high
Then your heart is Amelia dying to fly

Heaven knows no frontiers

And I've seen heaven in your eyes

And if life is a bar room in which we must wait
'Round the man with his fingers on the ivory gates
Where we sing until dawn of our fears and our fates
And we stack all the deadmen in self addressed crates

In your eyes faint as the singing of a lark
That somehow this black night
Feels warmer for the spark, warmer for the spark
To hold us 'til the day
When fear will lose its grip, and heaven has its way

Heaven knows no frontiers

And I've seen heaven in your eyes

If your life is a rough bed of brambles and nails
And your spirit's a slave to man's whips and man's jails
Where you thirst and you hunger for justice and right
Then your heart is a pure flame of man's constant night

In your eyes faint as the singing of a lark
That somehow this black night
Feels warmer for the spark, warmer for the spark
To hold us 'til the day when fear will lose its grip
And heaven has its way, and heaven has its way
When all will harmonize
And know what's in our hearts
The dream will realize

Heaven knows no frontiers
And I've seen heaven in your eyes

Heaven knows no frontiers
And I've seen heaven in your eyes

On my own

Pretending she's beside me

All alone

I walk with her till morning

Without her

I feel her arms around me

And when I lose my way I close my eyes

And she has found me

In the rain the pavement shines like silver

All the lights are misty in the river

In the darkness, the trees are full of starlight

And all I see is she and me forever and forever

And I know it's only in my mind

That I'm talking to myself and not to her

And although I know that she is blind

Still I say, there's a way for us

I love her

But when the night is over

She is gone

The river's just a river

Without her

The world around me changes

The trees are bare and everywhere

The streets are full of strangers

I love her

But every day I'm learning

All my life

I've only been pretending

Without me

Her world will go on turning

A world that's full of happiness

That I have never known

I love her

I love her

I love her

But only on my own

If God had a name what would it be
And would you call it to His face ~
If you were faced with Him in all His glory ~
What would you ask if you had - just one question?
Yeah, yeah God is great
Yeah, yeah God is good
Yeah, yeah, yeah, yeah, yeah

What if God was one of us

Just a slob like one of us

Just a stranger on the bus

Trying to make His way home

If God had a face what would it look like
And would you want to see
If seeing meant that you would have to believe ~
In things like Heaven and in Jesus and the Saints ~
And all the Prophets
And yeah, yeah God is great
Yeah, yeah God is good
Yeah, yeah, yeah, yeah, yeah

What if God was one of us

Just a slob like one of us

Just a stranger on the bus

Trying to make His way home

Tryin' to make his way home

Back up to Heaven all alone

Nobody callin' on the phone

Cept for the Pope maybe in Rome

Yeah, yeah God is great

Yeah, yeah God is good

Yeah, yeah, - yeah, yeah, yeah

What if God was one of us

Just a slob like one of us

Just a stranger on the bus

Trying to make his way home

Like a holy rolling stone

Back up to Heaven all alone

Nobody callin' on the phone

Operator, well could you help me place this call?
See, the number on the matchbook is old and faded
She's living in L.A. with my best old ex-friend Ray
A guy she said she knew well and sometimes hated

Isn't that the way they say it goes? Well, let's forget all that
And give me the number if you can find it
So I can call just to tell 'em I'm fine and to show
I've overcome the blow, I've learned to take it well
I only wish my words could just convince myself
That it just wasn't real, but that's not the way it feels

Operator, well could you help me place this call?
Well, I can't read the number that you just gave me
There's something in my eyes, you know it happens every time
I think about a love that I thought would save me

Isn't that the way they say it goes? Well, let's forget all that
And give me the number if you can find it
So I can call just to tell 'em I'm fine and to show
I've overcome the blow, I've learned to take it well
I only wish my words could just convince myself
That it just wasn't real, but that's not the way it feels
No, no, no, no - that's not the way it feels

Operator, well let's forget about this call
There's no one there I really wanted to talk to

Thank you for your time, ah, you've been so much more than kind
And you can keep the dime

Isn't that the way they say it goes? Well, let's forget all that
And give me the number if you can find it
So I can call just to tell 'em I'm fine and to show
I've overcome the blow, I've learned to take it well
I only wish my words could just convince myself
That it just wasn't real, but that's not the way it feels

I found a love for me

Oh darlin', just dive right in and follow my lead

Well, I found a girl, beautiful and sweet

Oh, I never knew you were the someone waitin' for me

'Cause we were just kids when we fell in love

Not knowin' what it was

I will not give you up this time___

But darlin', just kiss me slow, your heart is all I own

And in your eyes, you're holdin' mine

Baby, I'm dancin' in the dark with you between my arms

Barefoot on the grass, listenin' to our favourite song

When you said you looked a mess, I whispered underneath my breath

But you heard it, darlin' you look perfect tonight

Well I found a woman, stronger than anyone I know

She shares my dreams, I hope that someday I'll share a home

I found a love, to carry more than just my secrets

To carry love, to carry children of our own

We are still kids, but we're so in love

Fightin' against all odds

I know we'll be alright this time

Darlin', just hold my hand

Be my girl, I'll be my man

And I see my future in your eyes

Well baby, I'm dancin' in the dark, with you between my arms

Barefoot on the grass, while listenin' to our favorite song

When I saw you in that dress, lookin' so beautiful
I don't deserve this, darlin' you look perfect tonight
[instrumental 2 bars]

Baby, I'm dancin' in the dark, with you between my arms
Barefoot on the grass, while listenin' to our favorite song
I have faith in what I see

Now I know I have met an angel in person
And she looks perfect
No I don't deserve this
You look perfect tonight

Piano Man – (Key of C) ★

It's nine o'clock on a Saturday

The regular crowd shuffles in

There's an old man sittin' next to me

Makin' love to his tonic and gin

↑ He says, "Son, can you play me a memory?"

I'm not really sure how it goes

But it's sad and it's sweet and I knew it complete

When I wore a younger man's clothes"

La la la, le li la

La la, le li la, da da

↑ Sing us a song, you're the piano man

Sing us a song tonight

Well, we're all in the mood for a melody

And you've got us feelin' alright

Now John at the bar is a friend of mine

He gets me my drinks for free

And he's quick with a joke or to light up your smoke

But there's someplace that he'd rather be

↑ He says, "Bill, I believe this is killing me"

As the smile ran away from his face

"Well, I'm sure that I could be a movie star
If I could get out of this place"

Oh, la la la, de di da

La la, de di da, da da

Now Paul is a real estate novelist

Who never had time for a wife

And he's talkin' with Davy, who's still in the Navy

And probably will be for life

↑ And the waitress is practicing politics

As the businessmen slowly get stoned

Yes, they're sharing a drink they call loneliness

But it's better than drinkin' alone

[piano solo]

Sing us a song, you're the piano man

Sing us a song tonight

Well, we're all in the mood for a melody

And you got us feelin' alright

It's a pretty good crowd for a Saturday

And the manager gives me a smile

'Cause he knows that it's me they've been comin' to see

To forget about life for a while

↑ And the piano, it sounds like a carnival

And the microphone smells like a beer

And they sit at the bar and put bread in my jar

And say, "Man, what are you doin' here?"

Oh, la la la, de di da

La la, de di da, da da

Sing us a song, you're the piano man

Sing us a song tonight

Well, we're all in the mood for a melody

And you got us feelin' alright

Run away, run away if you can't speak
Turn a page on the world that you don't need
Wide awake and you're scared that you won't come down, now
Didn't I tell you, you were gonna break down?
Didn't I warn you? Didn't I warn you?
Better take it easy
Try to find a way out
Better start believing in yourself

We build it up, we tear it down
We leave our pieces on the ground
We see no end, we don't know how
We are lost and we're fallen
Hold on to me, you're all I have
All I have
Hold on to me, you're all I have
All I have

Now and then there's a light in the darkness
Feel around 'til you find where your heart went
There's a weight in the air but you can't see why
Why
Didn't I tell you, you were gonna break down?
Didn't I want you? Everybody wants you
Tell me what you're needin'
Give in to your bleedin'
Never really feeling for yourself

We build it up, we tear it down
We leave our pieces on the ground
We see no end, we don't know how
We are lost and we're fallen

Hold on to me, you're all I have
All I have
Hold on to me, you're all I have
All I have

Didn't I tell you, you were gonna break down?
Didn't I warn you? Didn't I warn you?
Better take it easy
Try to find a way out
Better start believing in yourself

We build it up, we tear it down
We leave our pieces on the ground
We see no end, we don't know how
We are lost and we're fallen
Hold on to me, you're all I have
All I have
Hold on to me, you're all I have
All I have

Can you hold on to me?
Can you hold on to me?
Run away, run away if you can't speak

The changing of sunlight to moonlight

Reflections of my life

Oh, how they fill my eyes

The greetings of people in trouble

Reflections of my life

Oh, how they fill my eyes

Oh, my sorrows

Sad tomorrows

Take me back to my own home

Oh, my crying (Oh, my crying)

Feel I'm dying, dying

Take me back to my own home

I'm changing, arranging

I'm changing

I'm changing everything

Everything around me

The world is

A bad place

A bad place

A terrible place to live

Oh, but I don't want to die

Oh, my sorrows

Sad tomorrows

Take me back to my own home

Oh, my crying (Oh, my crying)

Feel I'm dying, dying

Take me back to my own home

Oh, my sorrows

Sad tomorrows

Rewrite The Stars – () 😊😊

Anne-Marie, James

You know I want you

It's not a secret I try to hide

You know you want me

So don't keep saying our hands are tied

You claim it's not in the cards

And faith is pulling you miles away

And out of a reach from me

But you're hearing my heart

So who can stop me if I decide that you're my destiny?

[What if we](#) rewrite the stars?

Say you were made to be mine

Nothing could keep us apart

You'll be the one I was meant to find

It's up to you and it's up to me

No one could say **what** we get to be

[So why don't we](#) rewrite the stars?

And maybe the world could be ours tonight

You think it's easy

You think I don't wanna run you, yeah

But there are mountains ([but there are mountains](#))

And there are doors that we can't walk through
I know you're wondering why
Because we're able to be just you and me within these walls
But when we go outside you're gonna wake up
And see that it was hopeless after **all**
No one can rewrite the stars
How can you say you'll be mine?
Everything keeps us apart
And I'm not the one you were meant to find (**the one you were meant to find**)
It's not up to you, it's not up to me
When everyone tells us what we can be
And how can we rewrite the stars?
Say that the world can be ours tonight

All I want is to **fly with you**

All I want is to **fall with you**

So just give me **all of you**

It feels impossible (it's not impossible)

Is it impossible? (say that it's possible)

And how do we rewrite the stars?

Say you were made to be mine

And nothing could keep us apart

'Cause you are the one I was meant to find

It's up to you, and it's up to me

No one could say **what** we get to be
And why don't we rewrite the stars?
Changing the world to be ours – tonight

You know I want you
It's not a secret I try to hide
But I can't have you
We're bound to break and my hands are tied

And I'm gonna be high

As a kite by then

I miss the earth so much

I miss my life

It's lonely out in space

On such a timeless flight

[...]

And I think it's gonna be a long, long, time

'Til touchdown brings me 'round again to find

I'm not the man they think I am at home

Ah, no no no...

I'm a rocket man

Rocket man

Burnin' out his fuse

Up here alone

And I think it's gonna be a long, long, time

'Til touchdown brings me 'round again to find

I'm not the man they think I am at home

Ah, no no no...

I'm a rocket man

Rocket man

Burnin' out his fuse

Up here alone

Mars ain't the kind of place

To raise your kids

In fact, it's cold as hell

And there's no one there to raise them

If you did

And all this science

I don't understand

It's just my job

Five days a week

A Rocket Man

Rocket Man

And I think it's gonna be a long, long, time

'Til touchdown brings me 'round again to find

Rocky Mountain High – (D Major) John Denver

[TOP](#)

He was born in the summer of his 27th year

Coming home to a place he'd never been before

He left yesterday behind him, you might say he was born again

You might say he found a key for every door

When he first came to the mountains his life was far away

On the road and hanging by a song

But the string's already broken and he doesn't really care

It keeps changing fast and it don't last for long

But the Colorado rocky mountain high

I've seen it rainin' fire in the sky

The shadow from the starlight is softer than a lullabye

Rocky mountain high (in Colorado)

Rocky mountain high (in Colorado)

He climbed cathedral mountains, he saw silver clouds below

He saw everything as far as you can see

And they say that he got crazy once and he tried to touch the sun

And he lost a friend but kept his memory

Now he walks in quiet solitude the forest and the streams

Seeking grace in every step he takes

His sight has turned inside himself to try and understand

The serenity of a clear blue mountain lake

And the Colorado rocky mountain high

I've seen it raining fire in the sky

You can talk to God and listen to the casual reply

Rocky mountain high (in Colorado)

Rocky mountain high (in Colorado)

Now his life is full of wonder but his heart still knows some fear

Of a simple thing he cannot comprehend

Why they try to tear the mountains down to bring in a couple more

More people, more scars upon the land

And the Colorado rocky mountain high

I've seen it rainin' fire in the sky

I know he'd be a poorer man if he never saw an eagle fly

Rocky mountain high

Colorado rocky mountain high

I've seen it rainin' fire in the sky

Friends around the campfire and everybody's high

The Feeling

You and your friends
In boxes of tens
Cool to the touch
You warm me so much
The white to your left
And the red to your right
Are all that I'd seen
'Til I realized
The love that I seek
Lies right in between

Rosé
I love ya
Especially today
Rosé
I love your delicate way

The chill in my veins
Relieves me from pain
Again and again
I lose all control
You're taking your toll
And I'm no longer sane
Don't be afraid

The love that I show
Is the love that you made
So don't be afraid
'Cause you're in control
I'm just your slave

Rosé
I love ya
Especially today
Rosé
I love your delicate way

Don't let him put you down
I won't let him put you down
'Cause you're as good as the rest
And you're much better dressed
I think pink is my color
I won't drink from no other lover!

Oh I love ya
Especially today
'Specially this way
Oh Rosé
I want ya
Believe me this way
Rosé
I love your delicate way

So it's down to this
Your bags are packed, you're at the door
Girl how sad it is you're tellin' me it's over
Words don't come in an easy way
Now we're face to face and all that I can say is

Roxann, don't go
Can't we try and work it out
Isn't that what love's about?
Roxann, I know
That I'd be a broken man
If you turn me away
Baby, won't you stay

So you're serious
You just don't feel it anymore
Baby look at us, we used to have forever
Let's not talk about who's to blame
I need you back on my side - there's got to be a way

(Chorus)

[Guitar solo]

Let's not talk about who's to blame
I need you back on my side
There's got to be a way to your heart
To your heart
Roxann, don't go

Can't we try and work it out
Isn't that what love's about?

Roxann, I know

That I'd be a broken man

If you leave now

Roxann, don't go

Can't we try and work it out

Isn't that what love's about?

Roxann, I know

That I'd be a broken man

If you turn me away.... **[[carry]]**

Yeah, Roxann, girl don't you go

You're just so serious, baby look at us

Saturday in the park

I think it was the Fourth of July

People dancing, people laughing

A man selling ice cream

Singing Italian songs

Eh Cumpari, ci vo sunari

Can you dig it? (Yes, I can)

And I've been waiting such a long time

For Saturday

Another day in the park

I think it was the Fourth of July

Another day in the park

I think it was the Fourth of July

People talking, really smiling

A man playing guitar

Singing for us all

Will you help him change the world

Can you dig it? (Yes, I can)

And I've been waiting such a long time

For today

Slow motion riders fly the colors of the day

A bronze man still can tell stories his own way

Listen children, all is not lost

All is not lost, oh no oh

Funny days in the park

Every day's the Fourth of July (Yes it is)

Funny days in the park

Every day's the Fourth of July

People reaching, really touching

A real celebration

Waiting for us all

If you want it, really want it

Can you dig it? (Yes, I can)

And I've been waiting such a long time

For the day, yeah yeah yeah

She's got a way about her
I don't know what it is
But I know that I can't live without her
She's got a way of pleasing
I don't know what it is
But there doesn't have to be a reason anyway

She's got a smile that heals me
I don't know why it is
But I have to laugh when she reveals me
And she's got a way of talking
I don't know what it is
But it lifts me up, When we are walking anywhere

She comes to me when I'm feelin' down
Inspires me without a sound
She touches me and I get turned around

She's got a way of showing
How I make her feel
And I find the strength to keep on going
She's got a light around her
And everywhere she goes

A million dreams of love

Surround her everywhere

She comes to me when I'm feelin' down

Inspires me without a sound

She touches me and I get turned around

Oh woo oh oh

She's got a smile that heals me

I don't know why it is

But I have to laugh when she reveals me

She's got a way about her

I don't know what it is

But I know that I can't live without her anyway

Shower The People – ()

James Taylor

[TOP](#)

You can play the game and you can act out the part
Though you know it wasn't written for you
But tell me, how can you stand there with your broken heart?
Ashamed of playing the fool

One thing can lead to another
It doesn't take any sacrifice
Oh, father and mother, sister and brother
If it feels nice, don't think twice yes

Shower the people you love with love
Show them the way that you feel
Things are gonna work out fine if you only will
(Do as I say, yes)
Shower the people you love with love
Show them the way you feel
Things are gonna be much better if you only will

You can run but you cannot hide
This is widely known
And what you plan to do with your foolish pride
When you're all by yourself alone

Once you tell somebody the way that you feel
You can feel it beginning to ease
I think it's true what they say about the squeaky wheel
Always getting the grease

Better to shower
the people you love with love
Yes and show them the way that you feel
I know things are gonna be just fine if you only will
(What I like to do to you)
Shower the people you love with love
Show them the way you feel
Things are gonna be much better if you only will

Whoa (Shower the people you love with love)
Yeah whoa yeah (Show them the way that you feel)
You'll feel better right away (Shower the people you love with love)
Don't take much to do (Show them the way that you feel)
Show you pride (Shower the people you love with love)
I say (Show them the way that you feel)
They say in every life (Shower the people you love with love)
They say the rain must fall (Show them the way that you feel)
Just like pouring rain (Shower the people you love with love)
Make it rain (Show them the way that you feel)
Make it rain (Shower the people you love with love)

Love, love, sunshine oh (Show them the way that you feel)

Oh yes (Shower the people you love with love)

Make it rain (Show them the way that you feel)

Love, love, love is sunshine yeah (Shower the people you love with love)

All right (Show them the way that you feel)

Slow Down Summer – ()

Thomas Rhett

[TOP](#)

Your shades on my dashboard, shoes on my floorboard

Lived in that old Chevrolet

We were two Roman candles, too hot to handle

Two hearts that couldn't be tamed

Yeah, we knew what was comin'

And laughed it off -- like it was nothin'

Oh, but time -- kept on runnin' and runnin' away

Yeah, what can I say? We had our

hopes up and the windows down

Fallin' fast in a one-lane town

Tangled up with your lips on mine

Never seen a brighter green in those eyes and I

put my jacket on your shoulder

Wishin' the weather wasn't gettin' colder

Lettin' you go, holdin' onto each other

Closin' our eyes, sayin', "Slow down, summer" (slow down, summer)

I was beggin' those leaves, "Don't go changin' on me"

"Friday night lights, stay away"

But the Fourth of July was just smoke in the sky

And our sunburns were startin' to fade

Yeah, we knew what was comin'

And laughed it off like it was nothin'

Oh, but time kept on runnin' and runnin' away

Yeah, those were the days. We had our
hopes up and the windows down
Fallin' fast in a one-lane town
Tangled up with your lips on mine
Never seen a brighter green in those eyes and I
put my jacket on your shoulder
Wishin' the weather wasn't gettin' colder
Lettin' you go, holdin' onto each other
Closin' our eyes, sayin', "Slow down, summer" (slow down, summer)

Why couldn't you slow down, summer?
Just wait a minute, we weren't finished
Can we just hold onto each other?
Take me back to the beginnin', oh

Slow down, summer
Slow down, summer

Yeah, those were the days! We had our
hopes up and the windows down
Fallin' fast in a one-lane town
Tangled up with your lips on mine
Never seen a brighter green in those eyes and I
put my jacket on your shoulder
Wishin' the weather wasn't gettin' colder
Lettin' you go, holdin' onto each other
Closin' our eyes, sayin', "Slow down, summer"

Oh (slow down, summer)

Slow down, summer, yeah

Why couldn't you slow down, summer?

Why couldn't you slow down?

Slow down

Why couldn't you slow down, summer?

I don't want to leave her now

You know I believe and how

Somewhere in her smile she knows

That I don't need no other lover

Something in her style that shows me

I don't want to leave her now

You know I believe and how

You're asking me will my love grow

I don't know, I don't know

You stick around and it may show

I don't know, I don't know

[Solo]

[Repeat Bridge]

Something in the way she knows

And all I have to do is think of her

Something in the things she shows me

I don't want to leave her now

You know I believe and how

Sometimes When We Touch – ()

Dan Hill

[TOP](#)

You ask me if I love you

And I choke on my reply

I'd rather hurt you honestly

Than mislead you with a lie

And who am I to judge you

In what you say or do

I'm only just beginning

To see the real you

And sometimes when we touch

The honesty's too much

And I have to close my eyes

And hide

I want to hold you till I die

Till we both break down and cry

I want to hold you till the fear in me subsides

Romance in all the strategy

Leaves me battling with my pride

But through the insecurity

Some tenderness survives

I'm just another writer

Still trapped within my truth

A hesitant prize-fighter
Still trapped within my youth
And sometimes when we touch
The honesty's too much
And I have to close my eyes
And hide
I want to hold you till I die
Till we both break down and cry
I want to hold you till the fear in me subsides

At times I'd like to break you
And drive you to your knees
At times I'd like to break through
And hold you endlessly

At times I understand you
And I know how hard you try
I've watched while love commands you
And I've watched love pass you by
At times I think we're drifters
Still searching for a friend
A brother or a sister
But then the passion flares again
And sometimes when we touch

The honesty's too much

And I have to close my eyes

And hide

I want to hold you till I die

Till we both break down and cry

I want to hold you till the fear in me subsides

I walked across an empty land
I knew the pathway like the back of my hand
I felt the earth beneath my feet
Sat by the river, and it made me complete

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

I came across a fallen tree
I felt the branches of it looking at me
Is this the place we used to love?
Is this the place that I've been dreaming of?

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired, and I need somewhere to begin

And if you have a minute, why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So why don't we go
Somewhere only we know?

Oh, simple thing, where have you gone?
I'm getting old, and I need something to rely on
So tell me when you're gonna let me in

Crossroads, seem to come and go, yeah

The gypsy flies from coast to coast

Knowing many, loving none

Bearing sorrow, having fun

But, back home he'll always run

To sweet Melissa

Mmm, hmm

Freight train, each car looks the same, all the same

And no one knows the gypsy's name

And no one hears his lonely sighs

There are no blankets where he lies

Lord, in his deepest dreams the gypsy flies

With sweet Melissa

Mm, hmm

Again, the mornin's come

Again, he's on the run

A sunbeam's shinin' through his hair

Fear not to have a care

Well, pick up your gear and gypsy roll on

Roll on

Crossroads, will you ever let him go?

Lord, Lord

Or will you hide the dead man's ghost?

Or will he lie, beneath the clay?

Or will his spirit float away?

But, I know that he won't stay

Without Melissa

Yes, I know that he won't stay, yeah

Without Melissa

Lord, Lord, it's all the same

I can't stand to fly

I'm not that naive

I'm just out to find

The better part of me

I'm more than a bird, I'm more than a plane

I'm more than some pretty face beside a train

And it's not easy to be me

I wish that I could cry

Fall upon my knees

Find a way to lie

'Bout a home I'll never see

It may sound absurd, but don't be naive

Even heroes have the right to bleed

I may be disturbed, but won't you concede

Even heroes have the right to dream

And it's not easy to be me

Up, up and away, away from me

Well it's all right

You can all sleep sound tonight

I'm not crazy or anything

I can't stand to fly

I'm not that naive

Men weren't meant to ride

With clouds between their knees

I'm only a man in a silly red sheet

Digging for kryptonite on this one way street

Only a man in a funny red sheet
Looking for special things inside of me
Inside of me, inside of me, yeah
Inside of me, inside of me
I'm only a man in a funny red sheet
I'm only a man looking for a dream
I'm only a man in a funny red sheet

Almost heaven, West Virginia
Blue ridge mountains, Shenandoah river
Life is old there, older than the trees
Younger than the mountains, blowing like a breeze

Country roads, take me home

To the place I belong

West Virginia

Mountain mamma, take me home

Country roads

All my memories, gather round her
Modest lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in my eye

Country roads, take me home

To the place I belong

West Virginia

Mountain mamma, take me home

Country roads

I hear her voice in the morning hour she calls me
Radio reminds me of my home far away
Driving down the road I get a feeling
That I should have been home yesterday, yesterday

Country roads, take me home

To the place I belong

I'll leave behind my heart to wear

And may it e'er remind you of

A taste of honey

A taste much sweeter than wine

I will return, I will return

I'll come back for the honey and you

He ne'er came back to his love so fair

And so she died dreaming of his kiss

His kiss of honey

Little Scotch on the rocks and I'm fine, I'm fine

But when I taste tequila, baby I still see ya

Cutting up the floor in a sorority t-shirt

The same one you wore when we were

Sky high in Colorado, your lips pressed against the bottle

Swearing on a bible, baby, I'd never leave ya

I remember how bad I need ya, when I taste Tequila

When I taste Tequila

I can kiss somebody brand new

And not even think about you

I can show up to the same bar

Hear the same songs in my car

Baby, your memory, it only hits me this hard

When I taste Tequila, baby I still see ya

Cutting up the floor in a sorority t-shirt

I don't know how this whole business started
Of you thinkin' that I have been untrue
But if you think that we'd be better parted
It's gonna hurt me, but I'll break away from you
Well, just give me the sign and I will be gone, yeah

(That's how much I feel) feel for you, baby
(How much I need) well I need your touch
(How much I live) I live for your loving
That's how much (that's how much)
That's how much, that's how much

I sleep alone, and late at night I'm dreamin'
Of the togetherness that seems to be leaving me
I'd give it all and then I'd give some more
If you would only love me like you had before
Well, take hold of my hand and all will be forgiven, yeah

(That's how much I feel) feel for you, baby
(How much I need) I need your touch
(How much I live) I live for your loving
(That's how much) that's how much
That's how much, that's how much

So you try (try), try to stay in the middle
And then you cry (cry), well you cry just a little
Then you both realize
Just how foolish you've been
And you try to make amends
But you're better off as friends
'Cause that's how much (that's how much)
That's how much, that's how much

How's your life been goin' on?
I've got a wife now, years we've been goin' strong
Oh, no, there's just something that I've got to say
Sometimes when we make love
I still can see your face
Ooh, just try to recall
When we were as one, yeah

Every night I'm lyin' in bed
Holdin' you close in my dreams
Thinkin' about all the things that we said
And comin' apart at the seams
We try to talk it over
But the words come out too rough
I know you were tryin'
to give me the best of your love

Beautiful faces and loud, empty places
Look at the way that we live
Wastin' our time on cheap talk and wine
Left us so little to give
That same old crowd
Was like a cold dark cloud
That we could never rise above

But here in my heart I give you the best of my love
Oh sweet darlin' you get the best of my love, oh
Sweet darlin', you get the best of my love

I'm goin' back in time
And it's a sweet dream
It was a quiet night
And I would be all right
If i could go on sleepin'
But every mornin'
I wake up and worry
What's gonna happen today

You see it your way
And I see it mine
But we both see it slippin' away

You know we always had each other baby
I guess that wasn't enough
Oh, but here in my heart
I give you the best of my love
Oh, sweet darlin', You get the best of my love
Oh, sweet darlin', You get the best of my love
Every night and day, You get the best of my love
Oh, sweet darlin' you get the best of my love

I am just a poor boy
Though my story's seldom told
I have squandered my resistance
For a pocketful of mumbles
Such are promises
All lies and jest
Still, a man hears what he wants to hear
And disregards the rest

Hmmm mmmm

When I left my home and my family
I was no more than a boy
In the company of strangers
In the quiet of a railway station
Running scared
Laying low, seeking out the poorer quarters
Where the ragged people go
Looking for the places only they would know

Lie-la-lie...

Asking only workman's wages
I come looking for a job

But I get no offers

Just a come-on from the whores on Seventh Avenue

I do declare there were times when I was so lonesome

I took some comfort there

Oh la la la la

Now the years are rolling by me, they are rocking evenly.

I am older than I once was,

and younger than I'll be - that's not unusual

No, it isn't strange, after changes upon changes we are more or less the same

After changes we are more or less the same

Lie-la-lie...

Then I'm laying out my winter clothes

And wishing I was gone

Going home

Where the New York City winters aren't bleeding me

Leading me, to

Going home

In the clearing stands a boxer

And a fighter by his trade

And he carries the reminders

Of every glove that laid him down

OR cut him 'til he cried out

In his anger and his shame

"I am leaving, I am leaving"

But the fighter still remains

Lie-la-lie...

The Great Suburban Showdown – () Billy Joel

Flyin' east on a plane

Drinkin' all that free champagne

I guess I saw this comin' down the line

And I know it should be fun

But I think I should've packed my gun

Got that old suburban showdown in my mind

Sit around with the folks

Tell the same old tired jokes

Bored to death on Sunday afternoon

Mom and Dad, me and you

And the outdoor barbecue

Think I'm gonna hide out in my room

↑ I've been gone for a while

Made some changes in my style

And they say you can't go home anymore

Well the streets all look the same

And I'll have to play the game

We'll all sit around in the kitchen chairs

With the TV on and the neighbors there

Out in the yard

Where my Daddy worked so hard
He never lets the crab grass grow too high
Oh, the place hasn't changed
And that's why I'm gonna feel so strange
But I'll have to face the music bye and bye

↑ I've been gone for a while
Made some changes in my style
And they say you can't go home anymore
Well the streets all look the same
And I'll have to play the game
We'll all sit around in the kitchen chairs
With the TV on and the neighbors there

Drive into town
When this big bird touches down
I'm only comin' home to say goodbye
Then I'm gone with the wind
And I won't be seen again
Till that great suburban showdown in the sky
Till that great suburban showdown in the sky

The Leader Of The Band – (E or F) ★ Dan Fogelberg

An only child alone and wild
A cabinet maker's son
His hands were meant for different work
And his heart was known to none

He left his home and went his lone
And solitary way
And he gave to me a gift I know
I never can repay

A quiet man of music
Denied a simpler fate
He tried to be a soldier once
But his music wouldn't wait

He earned his love through discipline
A thundering, velvet hand
His gentle means of sculpting souls
Took me years to understand

[Chorus]

The leader of the band is tired
And his eyes are growing old
But his blood runs through my instrument
And his song is in my soul

My life has been a poor attempt
To imitate the man

I'm just a living legacy
To the leader of the band

My brothers' lives were different
For they heard another call
One went to Chicago
And the other to St. Paul

And I'm in Colorado
When I'm not in some hotel
Living out this life I've chose
And come to know so well

[8 bar instrumental break]

I thank you for the music
And your stories of the road
I thank you for the freedom
When it came my time to go

I thank you for the kindness
And the times when you got tough
And, papa, I don't think I
Said 'i love you' near enough

[Chorus]

The leader of the band is tired
And his eyes are growing old
But his blood runs through my instrument
And his song is in my soul

My life has been a poor attempt

To imitate the man

I'm just a living legacy

To the leader of the band

I am a living legacy to the leader of the band

Five For Fighting

There was a man back in '95
Whose heart ran out of summers
But before he died, I asked him
Wait, what's the sense in life
Come over me, Come over me

He said, son why you got to sing that tune
Catch a Dylan song or some eclipse of the moon
Let an angel swing and make you swoon
Then you will see... You will see

Then he said,
Here's a riddle for you
Find the Answer
There's a reason for the world
You and I...

Picked up my kid from school today
Did you learn anything cause in the world today
You can't live in a castle far away
Now talk to me, come talk to me

He said, Dad I'm big but we're smaller than small
In the scheme of things, well we're nothing at all
Still every mother's child sings a lonely song
So play with me, come play with me

And Hey Dad

Here's a riddle for you

Find the Answer

There's a reason for the world

You and I...

I said,

Son for all I've told you

When you get right down to the

Reason for the world...

Who am I?

There are secrets that we still have left to find

There have been mysteries from the beginning of time

There are answers we're not wise enough to see

He said... You looking for a clue I Love You free...

The batter swings and the summer flies

As I look into my angel's eyes

A song plays on while the moon is high over me

Something comes over me

I guess we're big and I guess we're small

If you think about it man you know we got it all

Cause we're all we got on this bouncing ball

And I love you free

I love you freely

Here's a riddle for you

Find the Answer

There's a reason for the world

You and I...

If I could save time in a bottle
The first thing that I'd like to do
Is to save every day
'Til eternity passes away
Just to spend them with you

If I could make days last forever
If words could make wishes come true
I'd save every day like a treasure and then,
Again, I would spend them with you

But there never seems to be enough time
To do the things you want to do
Once you find them
I've looked around enough to know
That you're the one I want to go
Through time with

If I had a box just for wishes
And dreams that had never come true
The box would be empty
Except for the memory
Of how they were answered by you

Always in time, but never in line for dreams
Head over heels when toe to toe
This is the sound of my soul
This is the sound

But now I've come back again
Why do I find it hard to write the next line?
Oh, I want the truth to be said

Ah, ha-ha, ha, ha
I know this much is true
Ah, ha-ha, ha, ha
I know this much is true

With a thrill in my head and a pill on my tongue
Dissolve the nerves that have just begun
Listening to Marvin (all night long)
This is the sound of my soul

Making friends with shadows on my wall
All night hearing voices telling me
That I should get some sleep
Because tomorrow might be good for something

And I don't know why

But I'm not crazy, I'm just a little unwell
I know right now you can't tell
But stay awhile and maybe then you'll see
A different side of me
I'm not crazy, I'm just a little impaired
I know right now you don't care
But soon enough you're gonna think of me
And how I used to be, me

I'm talking to myself in public
Dodging glances on the train
And I know, I know they've all been talking about me
I can hear them whisper
And it makes me think there must be something wrong with me
Out of all the hours thinking
Somehow I've lost my mind

But I'm not crazy, I'm just a little unwell
I know right now you can't tell

Who knows what tomorrow brings

In a world few hearts survive

All I know is the way I feel

When it's real, I keep it alive

The road is long

There are mountains in our way

But we climb a step every day

Love lift us up where we belong

Where the eagles cry

On a mountain high

Love lift us up where we belong

Far from the world below

Up where the clear winds blow

Some hang on to used to be

Live their lives looking behind

All we have is here and now

All our lives, out there to find

The road is long

There are mountains in our way

But we climb a step every day

Love lift us up where we belong

Where the eagles cry
On a mountain high
Love lift us up where we belong
Far from the world we know
Where the clear winds blow
Time goes by
No time to cry
Life's you and I
Alive today
Love lift us up where we belong
Where the eagles cry
On a mountain high
Love lift us up where we belong
Far from the world we know
Where the clear winds blow
Love lift us up where we belong
Where the eagles cry

Starry, starry night

Paint your palette blue and grey

Look out on a summer's day

With eyes that know the darkness in my soul

Shadows on the hills

Sketch the trees and the daffodils

Catch the breeze and the winter chills

In colors on the snowy linen land

Now I understand

What you tried to say to me

And how you suffered for your sanity

And how you tried to set them free

They would not listen, they did not know how

Perhaps they'll listen now

Starry, starry night

Flaming flowers that brightly blaze

Swirling clouds in violet haze

Reflect in Vincent's eyes of china blue

Colors changing hue

Morning fields of amber grain

Weathered faces lined in pain

Are soothed beneath the artist's loving hand

Now I understand

What you tried to say to me

And how you suffered for your sanity

And how you tried to set them free

They would not listen, they did not know how

Perhaps they'll listen now

For they could not love you

But still your love was true

And when no hope was left in sight

On that starry, starry night

You took your life, as lovers often do

But I could have told you, Vincent

This world was never meant for one

As beautiful as you

Starry, starry night

Portraits hung in empty halls

Frameless heads on nameless walls

With eyes that watch the world and can't forget

Like the strangers that you've met

The ragged men in the ragged clothes

The silver thorn, a bloody rose

Lie crushed and broken on the virgin snow

Now I think I know

What you tried to say to me

And how you suffered for your sanity

And how you tried to set them free

They would not listen, they're not listening still

Perhaps they never will

Walking in Memphis – (Key of Bb) ★ Marc Cohen

Put on my blue suede shoes
And I boarded the plane
Touched down in the land of the Delta Blues
In the middle of the pouring rain
W.C. Handy -- won't you look down over me
Yeah, I got a first class ticket
But I'm as blue as a boy can be

Then I'm walking in Memphis
Walking with my feet ten feet off of Beale
Walking in Memphis
But do I really feel the way I feel

Saw the ghost of Elvis
on Union Avenue
Followed him up to the gates of Graceland
Then I watched him walk right through
Now security they did not see him
They just hovered 'round his tomb
But there's a pretty little thing
Waiting for the King
Down in the Jungle Room

When I was walking in Memphis
I was walking with my feet ten feet off of Beale

Walking in Memphis

But do I really feel the way I feel

They've got catfish on the table

They've got gospel in the air

And Reverend Green be glad to see you

When you haven't got a prayer

[pause]

boy you've got a prayer in Memphis

Now Bob he plays piano

Every Friday like he should

And they brought me down to see him

And they asked me if I would --

Do a little number

And I sang with all my might

And he said --

"Tell me are you a Christian child?"

And I said "Damn, I am tonight"

Walking in Memphis

Walking with my feet ten feet off of Beale

Walking in Memphis

But do I really feel the way I feel

Walking in Memphis

I've been away, haven't seen you in a while - How've you been
Have you changed your style, and do you think
That we've grown up differently
Don't seem the same, seems you've lost your feel for me

So let's leave it alone, 'cause we can't see eye to eye
There ain't no good guy, there ain't no bad guy
There's only you and me and we just disagree
Ooh-hoo-hoo, oh-oh-ho

I'm going back to a place that's far away - How 'bout you
Have you got a place to stay, why should I care
When I'm just trying to get along
We were friends, but now it's the end of our love song

So let's leave it alone, 'cause we can't see eye to eye
There ain't no good guy, there ain't no bad guy
There's only you and me and we just disagree

Life, so they say
Is but a game and they'd let it slip away
Love, like the autumn sun
Should be dyin' but it's only just begun
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears
In all the years that come and go
Take us up, always up

We may never pass this way again [3X]

Dreams, so they say
Are for the fools and they let 'em drift away
Peace, like the silent dove
Should be flyin' but it's only just begun
Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open seas
Cast away our fears and
All the years that come and go↑
Take us up↑, always up↑

We may never pass this way again [3X]

(So) I want to laugh while the laughin' is easy

I want to cry when it makes it worthwhile

I may never pass this way again

That's why I want it with you

('Cause) You make me feel like I'm more than a friend

Like I'm the journey and you're the journey's end

I may never pass this way again

That's why I want it with you, baby

We Were – ()

We were just a couple years short of the age

By my name on a fake ID

And still 'bout a hundred away from the day

Your daddy said you could run with me

We were a couple of line steppers

Who just couldn't wait to step over the line

Never thinkin' we wouldn't last

I was your first and you were mine

And we were leather jackets hangin' onto a Harley

Two heartbeats in the moonlight

(We were) both feet hangin' out over the edge

Of a water tower skyline

At least there's a little bit of sweet in the bitter

Though a part of me is always gonna miss her

I am who I am, I just miss who I was when we were

Mm-mm

We were gonna make it, weren't we, baby?

Had it all laid out in our mind

By the time we knew time was runnin' out

We done run out of time

And we were downtown Saturday night

Last-call cover band

'Til the last song played, never thought we'd fade

Like the stamp on the back of her hand

We were her on my shoulders, lighter in the air

"Pour Some Sugar On Me"

We were top down at Johnson's field

When she whispered that she wants me

At least there's a little bit of sweet in the bitter

Though a part of me is always gonna miss her

I am who I am, I just miss who I was when we were

Mm-mm

And we were leather jackets hangin' onto a Harley

Two heartbeats in the moonlight

(We were) both feet hangin' out over the edge

Of a water tower skyline

At least there's a little bit of sweet in the bitter

Though a part of me is always gonna miss her

I am who I am, I just miss who I was when we were

Mm, yes I do

Friends say, "Oh well, let that ship sail"

"You gotta let go of her"

"Just wasn't meant to be"

But somewhere down deep I still believe

That we were

Same bed but it feels just a little bit bigger now
Our song on the radio but it don't sound the same
When our friends talk about you, all it does is just tear me down
'Cause my heart breaks a little when I hear your name

It all just sounds like ooh, ooh ooh hoo hoo
Mm, too young, too dumb to realize
That I should have bought you flowers
And held your hand
Should have gave you all my hours
When I had the chance
Take you to every party 'cause all you wanted to do was dance
Now my baby's dancing
But she's dancing with another man

My pride, my ego, my needs, and my selfish ways
Caused a good strong woman like you to walk out my life
Now I never, never get to clean up the mess I made, oh
And it haunts me every time I close my eyes

It all just sounds like ooh, ooh ooh ooh ooh
Mm, too young, too dumb to realize
That I should have bought you flowers

And held your hand

Should have gave you all my hours

When I had the chance

Take you to every party 'cause all you wanted to do was dance

Now my baby's dancing

But she's dancing with another man

Although it hurts

I'll be the first to say that I was wrong

Oh, I know I'm probably much too late

To try and apologize for my mistakes

But I just want you to know

I hope he buys you flowers

I hope he holds your hand

Give you all his hours

When he has the chance

Take you to every party

'Cause I remember how much you loved to dance

Do all the things I should have done

When I was your man

Do all the things I should have done

When I was your man

Dancin' when the stars go blue
Dancin' when the evening fell
Dancin' in your wooden shoes
In a wedding gown

Dancin' out on 7th street
Dancin' through the underground
Dancin' with the marionette
Are you happy now?

Where do you go when you're lonely?
Where do you go when you're blue?
Where do you go when you're lonely?
I'll follow you

When the stars go blue
Stars go blue
Stars go blue
Stars go blue

Laughin' with your pretty mouth
Laughin' with your broken eyes
Laughin' with your lover's tongue
In a lullaby

Where do you go when you're lonely?
Where do you go when you're blue?
Where do you go when you're lonely?
I'll follow you

Where Are You Now – ()

It came to the end it seems you had heard

As we walked the city streets

You never said a word

When we finally sat down

Your eyes were full of spite

I was desperate, I was weak

I could not put up a fight

[But where are you now?](#)

[Where are you now?](#)

[Do you ever think of me](#)

[In the quiet, in the crowd?](#)

You were strangely less in pain

Than you were cold.

Triumphant in your mind

Of the logic that you hold

You said no one would ever know

The love that we had shared.

As I took my leave to go

It was clear you didn't care

But where are you now?

Where are you now?

Do you ever think of me

In the quiet, in the crowd?

And I hear of your coming

And your going in the town

I hear stories of your smile

I hear stories of your frown

And the darkness can descend

We can relish all the pain

But I know that's what you love

Cause you know I love the same

But where are you now?

Where are you now?

Do you ever think of me

In the quiet, in the crowd?

Oh, where are you now?

Where are you now?

Do you ever think of me

In the quiet, in the crowd?

But where are you now?

Where are you now?

Do you ever think of me

In the quiet, in the crowd?

Where are you now?

Where are you now?

Do you ever think of me

Making your way in the world today

Takes everything you've got

Taking a break from all your worries

Sure would help a lot

Wouldn't you like to get away?

[Verse 2]

All those nights when you've got no lights

The check is in the mail

And your little angel hung the cat up by its tail

And your third fiance didn't show

[Chorus]

Sometimes you want to go

Where everybody knows your name

And they're always glad you came

You wanna be where you can see

Our troubles are all the same

You wanna be where everybody knows your name

[Verse 3]

Roll out of bed, Mr. Coffee's dead

The morning's looking bright

And your shrink ran off to Europe and didn't even write

And your husband wants to be a girl

Be glad, there's one place in the world

[Chorus]

Where everybody knows your name

And they're always glad you came

You want to go where people know, people are all the same

You want to go where everybody knows your name

Where everybody knows your name

And they're always glad you came

And they're always glad you came

Where everybody knows your name

To the way you move
Everybody here is watching you
'Cause you feel like home
You're like a dream come true
But if by chance you're here alone
Can I have a moment, Before I go?
'Cause I've been by myself all night long
Hoping you're someone I used to know
You look like a movie, You sound like a song
My God, this reminds me, Of when we were young
Let me photograph you in this light
In case it is the last time
That we might be exactly like we were before we realized
We were sad of getting old
It made us so restless
It was just like a movie, It was just like a song

I was so scared to face my fears
Nobody told me that you'd be here
And I swear you moved overseas
That's what you said, when you left me
You still look like a movie
You still sound like a song

What a wonderful world

The colors of the rainbow, so pretty in the sky

Are also on the faces of people goin' by

I could find the whole meaning of life in those sad eyes

They've seen things that you never quite say, but I hear

Come out of hiding, I'm right here beside you

And I'll stay there as long as you ___ let me

Because you matter to me

Simple and plain and not much to ask from somebody

You matter to me

I promise you do, you, you matter too

I promise you do, you see?

You matter to me

It's addictive the minute you let yourself think

The things that I say just might matter to someone

All of this time I've been keeping my mind on the running away

And for the first time I think I'd consider the stay

Because you matter to me

Simple and plain and not much to ask from somebody

You matter to me

I promise you do, you, you matter too

I promise you do, you see?

When you're down and troubled
And you need a helping hand
And nothing, whoa, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest nights

You just call out my name
And you know wherever I am
I'll come running oh yeah baby
To see you again
Winter, spring, summer, or fall
All you got to do is call
And I'll be there, yeah, yeah yeah
You've got a friend

If the sky above you
Should turn dark and full of clouds
And that old north wind
Should begin to blow
Keep your head together
And call my name out loud now
Soon I be knocking

Upon your door

You just call out my name

And you know where ever I am

I'll come running oh yes I will

To see you again

Winter, spring, summer, or fall yeah

All you got to do is call

And I'll be there, yeah yeah yeah

Hey, ain't it good to know

That you've got a friend?

People can be so cold

They'll hurt you

And desert you

Well, they'll take your soul

If you let them

Oh yeah, but don't you let them

You just call out my name

And you know wherever I am

I'll come running

To see you again, oh baby don't you know 'bout

Winter, spring, summer, or fall

Ain't now all you got to do is call

Lord, I'll be there, yes I will

It's a little bit funny

This feeling inside

I'm not one of those who can easily hide

I don't have much money, but boy if I did

I'd buy a big house where we both could live

If I was a sculptor, ha

But then again, no

Or a man who makes potions in a traveling show

I know it's not much, but it's the best I can do

My gift is my song, and this one's for you

And you can tell everybody

This is your song

It may be quite simple, but now that it's done

I hope you don't mind

I hope you don't mind

That I put down in the words

How wonderful life is while you're in the world

I sat on the roof and kicked off the moss

Well a few of the verses, well they've got me quite cross

But the sun's been quite kind

While I wrote this song

It's for people like you that keep it turned on

So excuse me forgetting

But these things I do

You see I've forgotten, if they're green or they're blue

Anyway the thing is, what I really mean

Yours are the sweetest eyes I've ever seen

And you can tell everybody

This is the song

It may be quite simple, but now that it's done

I hope you don't mind

I hope you don't mind

That I put down in the words

How wonderful life is while you're in the world

I hope you don't mind

I hope you don't mind

That I put down in the words

How wonderful life is while you're in the world

All through the year

Waited through spring and fall

To hear silver bells ringing

See winter time bringing

The happiest season of all

Chestnuts roasting on an open fire

Jack Frost nipping at your nose

Yuletide carols being sung by a choir

And folks dressed up like Eskimos

Everybody knows a turkey and some mistletoe

Help to make the season bright

Tiny tots with their eyes all aglow

Will find it hard to sleep tonight

They know that Santa's on his way

He's loaded lots of toys and goodies on his sleigh

And ev'ry mother's child is gonna spy
to see if Reindeer really know how to fly

And so, I'm offering this simple phrase
To kids from one to ninety-two
Altho' it's been said
Many times many ways

Do you remember me?

I sat upon your knee.

I wrote to you with childhood fantasies.

Well, I'm all grown up now,

I still need help somehow.

I'm not a child but my heart still can dream.

So here's my life- I o n g wish,

My grown-up Christmas list,

Not for myself, but for a world in need:

No more lives torn apart,

Then wars would never start,

And time would heal all hearts.

And every one would have a friend,

And right would always win,

And love would never end ~~

This is my grown-up Christmas list.

As children we believed

The grandest sight to see

Was something lovely wrapped beneath the tree.

Well, heaven surely knows

That packages and bows

Can never heal a hurting human soul.

No more lives torn apart,
Then wars would never start,
And time would heal all hearts.
And every one would have a friend,
And right would always win,
And love would never end ~~
This is my grown-up Christmas list.

What is this illusion called, the innocence of youth?
Maybe only in our blind belief can we ever find the truth! ~~~

No more lives torn apart,
Then wars would never start,
And time would heal all hearts. ✨ ✨
And every one would have a friend,
And right would always win,
And love ✨ would ✨ never ✨ end ~~~
This is my grown-up Christmas list.
This is my only lifelong wish,
This is my grown-up Christmas list!

[Verse 1]

O Holy night! The stars are brightly shining
It is the night of our dear Savior's birth
Long lay the world in sin and error pining
'Til He appears and the soul felt its worth
A thrill of hope the weary world rejoices
For yonder breaks a new and glorious morn
Fall on your knees; O hear the Angel voices!
O night divine, O night when Christ was born
O night, O Holy night, O night divine!

[Verse 2]

Led by the light of Faith serenely beaming
With glowing hearts by His cradle we stand
So led by light of a star sweetly gleaming
Here come the Wise Men from Orient land
The King of kings lay thus in lowly manger
In all our trials born to be our friend
He knows our need, to our weakness is no stranger
Behold your King; before Him lowly bend
Behold your King; before Him lowly bend

[Verse 3]

Truly He taught us to love one another;
His law is love and His Gospel is Peace
Chains shall He break, for the slave is our brother
And in His name, all oppression shall cease
Sweet hymns of joy in grateful chorus raise we
Let all within us Praise His Holy name
Christ is the Lord; O praise His name forever!
Noel, Noel, the night when Christ was born
Noel, Noel, O night, O Holy night!

And gay happy meetings when friends come to call
It's the hap-happiest season of all

There'll be parties for hosting
Marshmallows for toasting
And caroling out in the snow
There'll be scary ghost stories
And tales of the glories
Of Christmases long, long ago

It's the most wonderful time of the year
There'll be much mistletoeing
And hearts will be glowing when loved ones are near
It's the most wonderful time of the year

There'll be parties for hosting
Marshmallows for toasting
And caroling out in the snow
There'll be scary ghost stories
And tales of the glories
Of Christmases long, long ago

It's the most wonderful time of the year
There'll be much mistletoeing
And hearts will be glowing when loved ones are near
It's the most wonderful time
Yes, the most wonderful time
Oh, the most wonderful time
Of the year

Z-XMAS – White Christmas () Bing Crosby

[TOP](#)

[Intro]

The sun is shining, the grass is green

The orange and palm trees sway

There's never been such a day

In Beverly Hills, LA

[pause] But it's De-cem-ber the twenty-fourth

[pause] And I am longing to be up North

[Verse 1]

I'm dreaming of a white Christmas

Just like the ones I used to know

Where the treetops glisten

And children listen

To hear sleigh bells in the snow

[Verse 2]

I'm dreaming of a white Christmas

With every Christmas card I write

May your days be merry and bright

And may all your Christmases be white

[Verse 3]

I'm dreaming of a white Christmas

Just like the ones I used to know

Where the treetops glisten

And children listen

To hear sleigh bells in the snow

[Verse 4]

I'm dreaming of a white Christmas

With every Christmas card I write

May your days be merry and bright

And may all your Christmases be white

[Optional Outro after some instrumental]

May your days be merry and bright

And may all your Christmases be white

And may all your Christmases be white (All your Christmases be white)

And may all your Christmases be white (All your Christmases be white)

And may all your Christmases be

(All your Christmases be white)

(All your Christmases be white)
