## 100 Years – (Key of A) ?

## Five For Fighting

[TOP](#)

I'm fifteen for a moment  
Caught in between ten and twenty  
And I'm just dreaming  
Counting the ways to where you are

I'm twenty-two for a moment  
She feels better than ever  
And we're on fire  
Making our way back from Mars

Fifteen there's still time for you  
Time to buy and time to lose  
Fifteen, there's never a wish better than this  
When you only got hundred years to live

I'm thirty three for a moment  
Still the man, but you see I'm of age  
A kid on the way  
A family on my mind

I'm forty five for a moment  
The sea is high  
And I'm heading into a crisis  
Chasing the years of my life  
Fifteen there's still time for you  
Time to buy, time to lose yourself, Within a morning star  
Fifteen I'm all right with you

Fifteen, there's never a wish better than this  
When you only got hundred years to live

Half time goes by  
Suddenly you're wise  
Another blink of an eye  
Sixty seven is gone  
The sun is getting high  
We're moving on

I'm ninety nine for a moment  
Dying for just another moment  
And I'm just dreaming  
Counting the ways to where you are

Fifteen there's still time for you  
Twenty two I feel her too, Thirty three you're on your way  
Every day's a new day

Fifteen there's still time for you  
Time to buy and time to choose  
Hey fifteen, there's never a wish better than this  
When you only got hundred years to live

## Alone Again Naturally – (Key of D)

Gilbert O'Sullivan

[TOP](#)

Well, in a little while from now  
If I'm not feeling any less sour  
I promise myself to treat myself  
And visit a nearby tower  
And climbing to the top  
Will throw myself off  
In an effort to, Make it clear to who  
Ever, What it's like when you're shattered

Left standing in the lurch at a church  
Where people saying, "My God, that's tough"  
"She stood him up"  
"No point in us remaining"  
"We may as well go home"  
As I did on my own

**Alone again, naturally**

To think that only yesterday  
I was cheerful, bright and gay  
Looking forward to who wouldn't do  
The role I was about to play  
But as if to knock me down  
Reality came around

And without so much as a mere touch

Cut me into little pieces

Leaving me to doubt

Talk about, God in His mercy

Oh, if he really does exist

Why did he desert me

In my hour of need

I truly am indeed

Alone again, naturally

It seems to me that

There are more hearts broken in the world

That can't be mended

Left unattended

What do we do

What do we do

Alone again, naturally

Now looking back over the years

And whatever else that appears

I remember I cried when my father died

Never wishing to hide the tears

And at sixty-five years old

My mother, God rest her soul

Couldn't understand why the only man

She had ever loved had been taken

Leaving her to start

With a heart so badly broken

Despite encouragement from me

No words were ever spoken

And when she passed away

I cried and cried all day

Alone again, naturally

Alone again, naturally

# A Song For You – (Key of Gm) Ray Charles

[TOP](#)

I've been so many places in my life and time

I've sung a lot of songs, I've made some bad rhymes

I've acted out my life on stages with ten thousand people watching

But we're alone now, and I'm singing my song for you

I know your image of me is what I hope to be

I've treated you unkindly but darlin' can't you see

There's no one more important to me

So darlin' can't you please see right through me

Cause we're alone now, and I'm singing my song for you

You taught me precious secrets

Of the truth withholding nothing

You came out in front and I was hiding

But now I'm so much better, so if my words don't come together

Listen to the melodies, 'cause my love is in there hiding

I loved you in a place

Where there's no space or time

I loved you for my life

'cause you're a friend of mine

And when my life is over

Remember when we were together,

We were alone, and I was singing my song for you

[ piano improv 8 bars ]

I loved you in a place

Where there's no space or time

I loved you for my life

You are a friend of mine

And when my life is over

Remember when we were together

We were alone and I was singing MY song for you

We were alone and I was singing MY song for you

We were alone and I was singing MY song

Singing my song...

Singing this song...

for you

nobody but you [ piano ]

## [Aladdin]

I can show you the world  
Shining, shimmering, splendid  
Tell me, princess, now when did you last let your heart decide?  
I can open your eyes  
Take you wonder by wonder  
Over, sideways and under on a magic carpet ride☑  
A whole new world  
A new fantastic point of view  
No one to tell us, "no" or where to go  
Or say we're only dreaming

## [Princess Jasmine]

A whole new world  
A dazzling place I never knew  
But when I'm way up here, it's crystal clear  
That now I'm in a whole new world with you  
(Now I'm in a whole new world with you)  
Unbelievable sights  
Indescribable feeling  
Soaring, tumbling, freewheeling  
Through an endless diamond sky  
  
A whole new world (don't you dare close your eyes)  
A hundred thousand things to see (hold your breath, it gets better)

I'm like a shooting star, I've come so far  
I can't go back to where I used to be (a whole new world)  
(Every turn, a surprise)  
With new horizons to pursue (every moment, red-letter)  
I'll chase them anywhere  
There's time to spare  
Let me share this whole new world with you

A whole new world (a whole new world)  
That's where we'll be (that's where we'll be)  
A thrilling chase (a wondrous place)  
For you and me

Come fill me again

Come, let me love you  
Let me give my life to you  
Let me drown in your laughter  
Let me die in your arms  
Let me lay down beside you  
Let me always be with you  
Come, let me love you

Got a black magic woman

Don't turn your back on me, baby

Yes, don't turn your back on me, baby

Stop messing about with your tricks

Don't turn your back on me, baby

You just might pick up my magic sticks

You got your spell on me, baby

You got your spell on me, baby

Yes, you got your spell on me, baby

Turnin' my heart into stone

I need you so bad

Magic woman I can't leave you alone

Goodbye Norma Jean

Though I never knew you at all

You had the grace to hold yourself

While those around you crawled

They crawled out of the woodwork

And they whispered into your brain

They set you on the treadmill

And they made you change your name

And it seems to me you lived your life

Like a candle in the wind

Never knowing who to cling to

When the rain set in

And I would have liked to have known you

But I was just a kid

Your candle burned out long before

Your legend ever did

Loneliness was tough

The toughest role you ever played

Hollywood created a superstar

And pain was the price you paid  
Even when you died  
Oh the press still hounded you  
All the papers had to say  
Was that Marilyn was found in the nude

And it seems to me you lived your life  
Like a candle in the wind  
Never knowing who to cling to  
When the rain set in  
And I would have liked to have known you  
But I was just a kid  
Your candle burned out long before  
Your legend ever did

Goodbye Norma Jean  
Though I never knew you at all  
You had the grace to hold yourself  
While those around you crawled  
Goodbye Norma Jean  
From the young man in the twenty second row  
Who sees you as something more than sexual  
More than just our Marilyn Monroe

And it seems to me you lived your life

Like a candle in the wind

Never knowing who to cling to

When the rain set in

And I would have liked to have known you

But I was just a kid

Home for the holidays,  
I believe I've missed each and every face,  
Come on and play my music,  
Let's turn on the love light in the place  
It's time I found myself,  
Totally surrounded in your circles  
Whoa, my friends

Please, celebrate me home,  
Give me a number,  
Please, celebrate me home  
Play me one more song,  
That I'll always remember,  
And I can recall,  
Whenever I find myself too all alone,  
I can sing me home.

Uneasy highway,  
Traveling where the Westerly winds can fly,  
Somebody tried to tell me,  
But the man forgot to tell me why,  
I gotta count on being gone,  
Come on mama, come on daddy,

Hear what you want from me,  
I'll be strong, I'll be weak

Please, celebrate me home,  
Give me a number,  
Please, celebrate me home  
Play me one more song,  
That I'll always remember,  
I can recall,  
Whenever I find myself too all alone,  
I can make believe I've never gone,  
I never know where I belong,  
Sing me home.

Please, celebrate me home,  
Give me a number,  
Please, celebrate me home  
Play me one more song, y'all....

Celebrate, celebrate  
Celebrate, celebrate  
Celebrate, celebrate  
Celebrate me home  
Please, celebrate me home,  
Please, celebrate me home,

Well I'm finally here,  
But I'm bound to roam,  
Come on celebrate me home

Well I'm finally here,  
But I'm bound to roam,  
Come on celebrate me home

Well I'm finally here,  
But I'm bound to roam,  
Come on celebrate me home

Please, celebrate me home,  
Please, celebrate me home,  
Please, celebrate me home,  
Please, celebrate me home,

# Corner of the Sky – (Key of C) Pippin

[TOP](#)

Everything has its season

Everything has its time

Show me a reason

And I'll soon show you a rhyme

Cat's fit on the window sill

Children fit in the snow

Why do I feel I don't fit in

Anywhere I go

Rivers belong where they can ramble

Eagles belong where they can fly

I've got to be where my spirit can run free

Gotta find my corner of the sky

Every man has his daydream

Everyman has his goal

People like the way dreams have of

Sticking to the soul

Thunder clouds have their lightning

Nightingales have their song

And don't you see I want my life

To be something more than long

Rivers belong where they can ramble  
Eagles belong where they can fly  
I've got to be where my spirit can run free  
Gotta find my corner of the sky

So many men seem destined  
to settle for something small  
But I won't rest  
'til I know I have it all  
So don't ask where I'm going  
Just listen when I'm gone  
And far away you'll hear me singing  
Softly to the dawn

Rivers belong where they can ramble,  
Eagles belong where they can fly\_\_\_\_\_  
I've got to be where my spirit can run free

Flyin' me back to Memphis  
Gotta find my Daisy Jane  
Well the summer's gone  
And I hope she's feelin' the same  
Well I left her just to roam the city  
Thinkin' it would ease the pain  
I'm a crazy man and I'm playin' my crazy game, game

Does she really love me I think she does  
Like the stars above me I know, because  
when the sky is bright  
Everything's all right

Flyin' me back to Memphis  
Honey keep the oven warm  
Well the clouds are clearin'  
And I think we're over the storm  
Well I been pickin' it up around me  
Daisy I think I'm sane  
Well I'm awful glad  
And I guess you're really to blame, blame

Do you really love me  
I hope you do

People smile and tell me I'm the lucky one  
And we've just begun  
Think I'm gonna have a son  
He will be like she and me, as free as a dove  
Conceived in love  
Sun is gonna shine above

And even though we ain't got money  
I'm so in love with you, honey  
Everything will bring a chain of love  
And in the morning, when I rise  
You bring a tear of joy to my eyes  
And tell me everything is gonna be alright

Seems as though, a month ago, I was Beta-Chi  
Never got high  
Oh, I was a sorry guy  
And now, I smile and face the girl that shares my name  
Now I'm through with the game  
This boy will never be the same

And even though we ain't got money  
I'm so in love with you, honey  
And everything will bring a chain of love  
And in the morning, when I rise  
You bring a tear of joy to my eyes  
And tell me everything is gonna be alright

Pisces, Virgo rising is a very good sign

Strong and kind  
And the little boy is mine  
Now I see a family where there once was none  
Now we've just begun  
Yeah, we're gonna fly to the sun

And even though we ain't got money  
I'm so in love with you, honey  
And everything will bring a chain of ↑ love  
And in the morning, when I rise  
You bring a tear of joy to my eyes

Love the girl who holds the world in a paper cup  
Drink it up  
Love her and she'll bring you luck  
And if you find she helps your mind, better take her home  
Don't you live alone  
Try to earn what lovers own

And even though we ain't got money

Desperado, oh you ain't gettin' no younger

Your pain and your hunger, they're drivin' you home

And freedom, oh freedom, well that's just some people talkin'

Your prison is walkin' through this world all alone

Don't your feet get cold in the winter time?

As I was walking down the street one day  
A man came up to me and asked me what the time was that was on my watch, yeah  
And I said

Does anybody really know what time it is  
Does anybody really care  
If so I can't imagine why  
We've all got time enough to cry

And I was walking down the street one day  
A pretty lady looked at me and said her diamond watch had stopped cold dead  
And I said

Does anybody really know what time it is  
Does anybody really care  
If so I can't imagine why  
We've all got time enough to cry

And I was walking down the street one day  
Being pushed and shoved by people trying to beat the clock, oh, no I just don't know  
I don't know  
And I said, yes I said

Does anybody really know what time it is  
Does anybody really care  
If so I can't imagine why  
We've all got time enough to die

Everybody's running

I don't care about time

Oh no, I don't care

[ SPOKEN OVER THE THIRD VERSE ]

People runnin' everywhere

Don't know where to go

Don't know where I am

Can't see past the next step

Don't have time to think past the last mile

Have no time to look around

Just run around, run around and think why

But it's time to go  
Don't say yes, but please  
Don't say no  
I don't want to be lonely tonight

Go away then, damn you  
Go on and do as you please, yeah  
You ain't gonna see me getting down on my knees  
I'm undecided and your heart's been divided  
You've been turning my world upside down

You're a falling star, you're the get-away car.  
You're the line in the sand when I go too far.  
You're the swimming pool on an August day.  
And you're the perfect thing to say.

And you play it coy, but it's kinda cute.  
Ah, when you smile at me you know exactly what you do.  
Baby, don't pretend that you don't know it's true.  
'Cause you can see it when I look at you.

And in this crazy life, and through these crazy times  
It's you, it's you, you make me sing.  
You're every line, you're every word, you're everything.

You're a carousel, you're a wishing well,  
And you light me up, when you ring my bell.  
You're a mystery, you're from outer space,  
You're every minute of my every day.

And I can't believe, uh, that I'm your man,  
And I get to kiss you, baby, just because I can.  
Whatever comes our way, ah, we'll see it through,  
And you know that's what our love can do.

And in this crazy life, and through these crazy times  
It's you, it's you, you make me sing.  
You're every line, you're every word, you're everything

So, la, la, la, la, la, la, la

So, la, la, la, la, la, la, la

And in this crazy life, and through these crazy times

It's you, it's you, you make me sing

You're every line, you're every word, you're everything -ing -ing

There's so much you have to know

Find a girl, settle down,

If you want you can marry

Look at me, I am old, but I'm happy

I was once like you are now, and I know that it's not easy,

To be calm when you've found something going on

But take your time, think a lot,

Why, think of everything you've got

For you will still be here tomorrow, but your dreams may not

How can I try to explain, when I do he turns away again

It's always been the same, same old story

From the moment I could talk I was ordered to listen

Now there's a way and I know that I have to go away

I know I have to go

[ GUITAR SOLO ]

It's not time to make a change, (away, away, away)

Just sit down, take it slowly

You're still young, (I) that's your fault, (know)

There's so much you have to go through

(I have to make this decision)

Find a girl, settle down, (alone)

If you want you can marry

Look at me, (no)

I am old, but I'm happy

All the times that I cried, (stay, stay, stay)  
keeping all the things I knew inside,  
It's hard, (why) but it's harder to ignore it (must you go)  
If they were right, I'd agree, (and make this decision)  
but it's them you know not me (alone)  
Now there's a way and I know that I have to go away  
I know I have to go

Just yesterday mornin', they let me know you were gone  
Suzanne, the plans they made put an end to you  
I walked out this morning and I wrote down this song  
I just can't remember who to send it to

I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again

Won't you look down upon me, Jesus?  
You've got to help me make a stand  
You've just got to see me through another day  
My body's aching and my time is at hand  
And I won't make it any other way

Oh, I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again

Been walking my mind to an easy time  
My back turned towards the sun  
Lord knows, when the cold wind blows  
It'll turn your head around

Well, there's hours of time on the telephone line  
To talk about things to come  
Sweet dreams and flying machines in pieces on the ground

Oh, I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you, baby  
One more time again, now

Thought I'd see you one more time again  
There's just a few things coming my way this time around, now  
Thought I'd see you, thought I'd see you, fire and rain, now

With a friend at hand you will see the light  
If your friends are there, then everything's all right  
If your friends are there, ~~then everything's all right~~

I hope the day will be a lighter highway  
For friend...s are found on every road  
Can you ever think of any better way  
For the lost and weary travelers to go?

Making friends for the world to see  
Let the people know you got what you need  
With a friend at hand you will see the light  
If your friends are there, then everything's all right

It seems to me a crime that we should age  
These fragile times should never slip us by  
A time you never can or shall erase  
As friends together watch their childhood fly

Making friends for the world to see  
Let the people know you got what you need  
With a friend at hand you will see the light

If your friends are there, then everything's all right

Making friends for the world to see

I tried so very hard not to lose it  
I came up with a million excuses  
I thought, I thought of every possibility  
And I know someday that it'll all turn out  
You'll make me work, so we can work to work it out  
And I promise you, kid, that I give so much more than I get  
I just haven't met you yet

I might have to wait, I'll never give up  
I guess it's half timing, and the other half's luck

You'll come out of nowhere and into my life

And I know that we can be so amazing  
And, baby, your love is gonna change me

Oh I miss you, you know

And I've been keeping all the letters that I wrote to you

Each one a line or two

"I'm fine baby, how are you?"

And I would send them but I know

That it's just not enough

My words were cold and flat

And you deserve more than that

Another aero plane, Another sunny place

Another winter day has come, and gone away

I can think of younger days when living for my life

Was everything a man could want to do

I could never see tomorrow, no one said a word about the sorrow

And, how can you mend a broken heart? How can you stop the rain from falling down?

How can you stop the sun from shining? What makes the world go round?

How can you mend this broken man?

How can a loser ever win?

Please help me mend my broken heart and let me live again

La da la da da

I can still feel the breeze that rustles through the trees

And misty memories of days gone by

I could never see tomorrow, no one said a word about the sorrow

And, how can you mend a broken heart? How can you stop the rain from falling down?

How can you stop the sun from shining? What makes the world go round?

And, How can you mend this broken man? How can a loser ever win?

Please help me mend my broken heart and let me live again

But I'm living the dream that he can't live

Moving me down the highway, rolling me down the highway  
Moving ahead so life won't pass me by

I've got a song, I've got a song  
Like the whippoorwill and the baby's cry  
I've got a song, I've got a song  
And I carry it with me and I sing it loud  
If it gets me nowhere, I'll go there proud

Moving me down the highway, rolling me down the highway  
Moving ahead so life won't pass me by

And I'm gonna go there free

Like the fool I am and I'll always be  
I've got a dream, I've got a dream  
They can change their minds but they can't change me  
I've got a dream, I've got a dream  
Oh, I know I could share it if you'd want me to  
If you're goin' my way, I'll go with you

All those years outside looking in

All that time never even knowing

Just how blind I've been

Now I'm here blinking in the starlight

Now I'm here suddenly I see

Standing here it's all so clear

I'm where I'm meant to be

And at last I see the light

And it's like the fog has lifted

And at last I see the light

And it's like the sky is new

And it's warm and real and bright

And the world has somehow shifted

All at once everything looks different

Now that I see you

(original was in Eb – I need this down to B)

He called her on the road  
From a lonely cold hotel room  
Just to hear her say I love you one more time  
But when he heard the sound  
Of the kids laughing in the background  
Had to wipe away a tear from his eye  
A little voice came on the phone  
Said "Daddy when you coming home"  
He said the first thing that came to his mind

I'm already there

Take a look around

I'm the sunshine in your hair

I'm the shadow on the ground

I'm the whisper in the wind

I'm your imaginary friend

And I know I'm in your prayers

Oh I'm already there

She got back on the phone  
Said I really miss you darling  
Don't worry about the kids they'll be alright  
Wish I was in your arms  
Lying right there beside you  
But I know that I'll be in your dreams tonight  
And I'll gently kiss your lips  
Touch you with my fingertips  
So turn out the light and close your eyes

I'm already there  
Don't make a sound  
I'm the beat in your heart  
I'm the moonlight shining down  
I'm the whisper in the wind  
And I'll be there until the end  
Can you feel the love that we share  
Oh I'm already there

We may be a thousand miles apart  
But I'll be with you wherever you are

I'm already there  
Take a look around  
I'm the sunshine in your hair  
I'm the shadow on the ground  
I'm the whisper in the wind  
And I'll be there until the end  
Can you feel the love that we share  
Oh I'm already there

# If You Could Read My Mind – (Key of G) ★ 😊😊

## Gordon Lightfoot

[TOP](#)

If you could read my mind, love  
What a tale my thoughts could tell  
Just like an old-time movie  
'Bout a ghost from a wishing well  
In a castle dark or a fortress strong  
With chains upon my feet  
You know that ghost is me  
And I will never be set free  
As long as I'm a ghost that you can't see

If I could read your mind, love,  
What a tale your thoughts could tell  
Just like a paperback novel  
The kind the drugstores sell  
When you reached the part where the heartaches come  
The hero would be me  
But heroes often fail  
And you won't read that book again  
Because the ending's just too hard to take!

[ piano for 4 ]

I'd walk away like a movie star  
Who gets burned in a three-way script  
Enter number two  
A movie queen to play the scene  
Of bringing all the good things out in me  
But for now, love, let's be real  
I never thought I could act this way  
And I've got to say that I just don't get it  
I don't know where we went wrong  
But the feeling's gone  
And I just can't get it back

If you could read my mind, love  
What a tale my thoughts could tell  
Just like an old time movie  
'Bout a ghost from a wishing well  
In a castle dark or a fortress strong  
With chains upon my feet  
But stories always end  
And if you read between the lines  
You'd know that I'm just tryin' to understand  
The feelin's that you lack

I never thought I could feel this way  
And I've got to say that I just don't get it  
I don't know where we went wrong  
But the feelin's gone  
And I just can't get it back!

Well, I know it's kind of late

I hope I didn't wake you

But what I got to say can't wait

I know you'd understand

Every time I tried to tell you

The words just came out wrong

So I'll have to say I love you in a song

Yeah, I know it's kind of strange

But every time I'm near you

I just run out of things to say

I know you'd understand

Every time I tried to tell you

The words just came out wrong

So I'll have to say I love you in a song

Every time the time was right

All the words just came out wrong

So I'll have to say I love you in a song

Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be

Whisper words of wisdom, let it be

And when the broken-hearted people living in the world agree

There will be an answer, let it be

For though they may be parted, there is still a chance that they will see

There will be an answer, let it be

Let it be, let it be, let it be, let it be

City girls just seem to find out early  
How to open doors with just a smile  
A rich old man And she won't have to worry  
She'll dress up all in lace and go in style

Late at night a big old house gets lonely  
I guess every form of refuge has its price  
And it breaks her heart to think her love is only  
Given to a man with hands as cold as ice

So she tells him she must go out for the evening  
To comfort an old friend who's feelin' down  
But he knows where she's goin' as she's leavin'  
She is headed for the cheatin' side of town

You can't hide your lyin' eyes  
And your smile is a thin disguise  
I thought by now you'd realize  
There ain't no way to hide your lyin' eyes

On the other side of town a boy is waiting  
With fiery eyes and dreams no one could steal  
She drives on through the night anticipating

'Cause he makes her feel the way she used to feel

She rushes to his arms, they fall together

She whispers that it's only for awhile

She swears that soon she'll be comin' back forever

She pulls away and leaves him with a smile

You can't hide your lyin' eyes

And your smile is a thin disguise

I thought by now you'd realize

There ain't no way to hide your lyin' eyes

She gets up and pours herself a strong one

And stares out at the stars up in the sky

Another night, it's gonna be a long one

She draws the shade and hangs her head to cry

She wonders how it ever got this crazy

She thinks about a boy she knew in school

Did she get tired or did she just get lazy?

She's so far gone she feels just like a fool

My oh my, you sure know how to arrange things

You set it up so well, so carefully

Ain't it funny how your new life didn't change things?

You're still the same old girl you used to be

You can't hide your lyin' eyes

And your smile is a thin disguise

I thought by now you'd realize

There ain't no way to hide your lyin' eyes

There ain't no way to hide your lyin' eyes

You led me away from home

Just to save you from being alone

You stole my heart and that's what really hurts

The morning sun when it's in your face

Really shows your age

But that don't worry me none, in my eyes you're everything

I laughed at all of your jokes

My love you didn't need to coax

**Oh Maggie**, I couldn't have tried anymore

You led me away from home

Just to save you from being alone

You stole my soul and that's a pain I can do without

All I needed was a friend to lend, a guiding hand

But you turned into a lover

And Mother what a lover, you wore me out

All you did was wreck my bed

And in the morning kick me in the head

**Oh Maggie** I couldn't have tried anymore

You led me away from home

'Cause you didn't want to be alone  
You stole my heart, I couldn't leave you if I tried

They know not if it's dark outside or light

This Broadway's got

It's got a lot of songs to sing

If I knew the tunes, I might join in

I go my way alone

Grow my own, my own seeds shall be sown

in New York City

Subway's no way for a good man to go down

Rich man can ride and the ↓ hobo, he can drown

And I thank the Lord for the ↓ people I have found

I thank the Lord for the ↓ people I have found

While Mona Lisas and mad hatters

Sons of bankers, sons of lawyers

Turn around and say good morning to the night

For unless they see the sky

But they can't and that is why

They know not if it's dark outside or light

And now I know

"Spanish Harlem" are not just pretty words to say

I thought I knew

But now I know that ↑ rose trees never grow

In New York City

Subway's no way for a good man to go down

Rich man can ride and the ↑ hobo, he can drown

And I thank the Lord for the ↑ people I have found

Moon river, wider than a mile

I'm crossing you in style some day

Oh, dream maker, you heart breaker

Wherever you're goin', I'm goin' your way

Two drifters, off to see the world

There's such a lot of world to see

We're after the same rainbow's end, waitin' 'round the bend

My huckleberry friend, moon river, and me

Oh, dream maker, you heart breaker

Wherever you're goin', I'm goin' your way

Mornin' Mr. Radio

Mornin' little Cheerios

Mornin' sister Oriole

Did I tell you everything is fine

In my mind

Mornin' Mr. Shoe Shine Man

Shine 'em bright in white and tan

My baby said she loves me and

Need I tell you that

Everything here is just fine

In my mind

'Scuse me if I sing

My heart has found its wings

Searchin' high and low

And now at last I know

[ keyboard 4 bars]

Mornin' Mr. Golden Gate

I should walk but I can't wait

I can't wait to set it straight

I was shakin' but now I am

Makin' it fine

Here in my mind

My heart will soar

With love that's rare and real

My smiling face will feel every cloud

Then higher still

Beyond the blue until

I know I can

Like any man

Reach out my hand

And touch the face of GOD

'Scuse me if I sing

My heart has found its wings

Searchin' high and low

And now at last I know

Mornin' Mr. Radio

Mornin' little Cheerios

Mornin' sister Oriole

Did I tell you everything is just fine

Wooo in my mind

So, won't you get up Oriole

So, won't you get up Cheerios

Wake up Mr. Radio

It's fine

Here in my mind

Singin' about mornin' little radio

Wake up Mr. Radio

Need I tell you everything

Right here is just doing fine

## Nitty Gritty Dirt Band

I knew a man Bojangles and he danced for you

In worn out shoes

Silver hair, a ragged shirt and baggy pants

The old soft shoe

He jumped so high

He jumped so high

And then he'd lightly touch down

I met him in a cell in New Orleans I was

Down and out

He looked to me to be the eyes of age

As the smoke ran out

He talked of life

He talked of life

Laughed, clicked his heels and stepped

He said the name Bojangles and he danced a lick

Across the cell

He grabbed his pants and feathered stance

Whoa he jumped so high

And then he clicked his heels

He let go a laugh

He let go a laugh

Shook back his clothes all around

Dance

We danced for those at minstrel shows and county fairs

Throughout the south

We spoke through tears of fifteen years

How his dog and him

Traveled about

His dog up and died

He up and died

After twenty years he still grieves

They said I dance now at every chance and honky tonk

For drinks and tips

But most the time I spend behind these county bars

'Cause I drinks a bit

He shook his head and as he shook his head

I heard someone ask please

## Les Miserables

<https://www.youtube.com/watch?v=VjfmP7h3gBw>

On my own

Pretending she's beside me

All alone

I walk with her till morning

Without her

I feel her arms around me

And when I lose my way I close my eyes

And she has found me

In the rain the pavement shines like silver

All the lights are misty in the river

In the darkness, the trees are full of starlight

And all I see is she and me forever and forever

And I know it's only in my mind

That I'm talking to myself and not to her

And although I know that she is blind

Still I say, there's a way for us

I love her

But when the night is over

She is gone

The river's just a river

Without her

The world around me changes

The trees are bare and everywhere

The streets are full of strangers

I love her

But every day I'm learning

All my life

I've only been pretending

Without me

Her world will go on turning

A world that's full of happiness

That I have never known

I love her

I love her

I love her

But only on my own

Operator, well could you help me place this call?  
See, the number on the matchbook is old and faded  
She's living in L.A. with my best old ex-friend Ray  
A guy she said she knew well and sometimes hated

Isn't that the way they say it goes? Well, let's forget all that  
And give me the number if you can find it  
So I can call just to tell 'em I'm fine and to show  
I've overcome the blow, I've learned to take it well  
I only wish my words could just convince myself  
That it just wasn't real, but that's not the way it feels

Operator, well could you help me place this call?  
Well, I can't read the number that you just gave me  
There's something in my eyes, you know it happens every time  
I think about a love that I thought would save me

Isn't that the way they say it goes? Well, let's forget all that  
And give me the number if you can find it  
So I can call just to tell 'em I'm fine and to show  
I've overcome the blow, I've learned to take it well  
I only wish my words could just convince myself  
That it just wasn't real, but that's not the way it feels  
No, no, no, no - that's not the way it feels

Operator, well let's forget about this call  
There's no one there I really wanted to talk to

Thank you for your time, ah, you've been so much more than kind  
And you can keep the dime

Isn't that the way they say it goes? Well, let's forget all that  
And give me the number if you can find it  
So I can call just to tell 'em I'm fine and to show  
I've overcome the blow, I've learned to take it well  
I only wish my words could just convince myself  
That it just wasn't real, but that's not the way it feels

## Piano Man – (Key of C) ★ Billy Joel

[TOP](#)

It's nine o'clock on a Saturday

The regular crowd shuffles in

There's an old man sittin' next to me

Makin' love to his tonic and gin

↑ He says, "Son, can you play me a memory?"

I'm not really sure how it goes

But it's sad and it's sweet and I knew it complete

When I wore a younger man's clothes"

La la la, le li la

La la, le li la, da da

↑ Sing us a song, you're the piano man

Sing us a song tonight

Well, we're all in the mood for a melody

And you've got us feelin' alright

Now John at the bar is a friend of mine

He gets me my drinks for free

And he's quick with a joke or to light up your smoke

But there's someplace that he'd rather be

↑ He says, "Bill, I believe this is killing me"

As the smile ran away from his face  
"Well, I'm sure that I could be a movie star  
If I could get out of this place"

Oh, la la la, de di da  
La la, de di da, da da

Now Paul is a real estate novelist  
Who never had time for a wife  
And he's talkin' with Davy, who's still in the Navy  
And probably will be for life

↑ And the waitress is practicing politics  
As the businessmen slowly get stoned  
Yes, they're sharing a drink they call loneliness  
But it's better than drinkin' alone

[ piano solo ]

Sing us a song, you're the piano man  
Sing us a song tonight  
Well, we're all in the mood for a melody  
And you got us feelin' alright

It's a pretty good crowd for a Saturday  
And the manager gives me a smile

'Cause he knows that it's me they've been comin' to see

To forget about life for a while

↑ And the piano, it sounds like a carnival

And the microphone smells like a beer

And they sit at the bar and put bread in my jar

And say, "Man, what are you doin' here?"

Oh, la la la, de di da

La la, de di da, da da

Sing us a song, you're the piano man

Sing us a song tonight

Well, we're all in the mood for a melody

And you got us feelin' alright

Run away, run away if you can't speak  
Turn a page on the world that you don't need  
Wide awake and you're scared that you won't come down, now  
Didn't I tell you, you were gonna break down?  
Didn't I warn you? Didn't I warn you?  
Better take it easy  
Try to find a way out  
Better start believing in yourself

We build it up, we tear it down  
We leave our pieces on the ground  
We see no end, we don't know how  
We are lost and we're fallen  
Hold on to me, you're all I have  
All I have  
Hold on to me, you're all I have  
All I have

Now and then there's a light in the darkness  
Feel around 'til you find where your heart went  
There's a weight in the air but you can't see why  
Why  
Didn't I tell you, you were gonna break down?  
Didn't I want you? Everybody wants you  
Tell me what you're needin'  
Give in to your bleedin'  
Never really feeling for yourself

We build it up, we tear it down  
We leave our pieces on the ground  
We see no end, we don't know how  
We are lost and we're fallen

Hold on to me, you're all I have  
All I have  
Hold on to me, you're all I have  
All I have

Didn't I tell you, you were gonna break down?

We leave our pieces on the ground  
We see no end, we don't know how  
We are lost and we're fallen  
Hold on to me, you're all I have  
All I have  
Hold on to me, you're all I have

Can you hold on to me?  
Can you hold on to me?

Rewrite The Stars – () 😊😊

Anne-Marie, James

Arthur

[TOP](#)

You know I want you

It's not a secret I try to hide

You know you want me

So don't keep saying our hands are tied

You claim it's not in the cards

And faith is pulling you miles away

And out of a reach from me

But you're hearing my heart

So who can stop me if I decide that you're my destiny?

[What if we](#) rewrite the stars?

Say you were made to be mine

Nothing could keep us apart

You'll be the one I was meant to find

It's up to you and it's up to me

No one could say **what** we get to be

[So why don't we](#) rewrite the stars?

And maybe the world could be ours tonight

You think it's easy

You think I don't wanna run you, yeah

But there are mountains (but there are mountains)

And there are doors that we can't walk through

I know you're wondering why

Because we're able to be just you and me within these walls

But when we go outside you're gonna wake up

And see that it was hopeless after all

No one can rewrite the stars

How can you say you'll be mine?

Everything keeps us apart

And I'm not the one you were meant to find (the one you were meant to find)

It's not up to you, it's not up to me

When everyone tells us what we can be

And how can we rewrite the stars?

Say that the world can be ours tonight

All I want is to fly with you

All I want is to fall with you

So just give me all of you

**It feels impossible** (it's not impossible)

**Is it impossible?** (say that it's possible)

**And how do we** rewrite the stars?

Say you were made to be mine

And nothing could keep us apart

'Cause you are the one I was meant to find

It's up to you, and it's up to me

No one could say **what** we get to be

And why don't we rewrite the stars?

Changing the world to be ours – tonight

You know I want you

It's not a secret I try to hide

But I can't have you

We're bound to break and my hands are tied

It's lonely out in space

On such a timeless flight

And I think it's gonna be a long, long, time

'Til touchdown brings me 'round again to find

I'm not the man they think I am at home

Ah, no no no...

Burnin' out his fuse

Up here alone

Mars ain't the kind of place

To raise your kids

In fact, it's cold as hell

And there's no one there to raise them

If you did

And all this science

I don't understand

It's just my job

Five days a week

# Rocky Mountain High – (D Major) John Denver

[TOP](#)

He was born in the summer of his 27th year

Coming home to a place he'd never been before

He left yesterday behind him, you might say he was born again

You might say he found a key for every door

When he first came to the mountains his life was far away

On the road and hanging by a song

But the string's already broken and he doesn't really care

It keeps changing fast and it don't last for long

But the Colorado rocky mountain high

I've seen it rainin' fire in the sky

The shadow from the starlight is softer than a lullabye

Rocky mountain high (in Colorado)

Rocky mountain high (in Colorado)

He climbed cathedral mountains, he saw silver clouds below

He saw everything as far as you can see

And they say that he got crazy once and he tried to touch the sun

And he lost a friend but kept his memory

Now he walks in quiet solitude the forest and the streams

Seeking grace in every step he takes

His sight has turned inside himself to try and understand

The serenity of a clear blue mountain lake

And the Colorado rocky mountain high

I've seen it raining fire in the sky

You can talk to God and listen to the casual reply

Rocky mountain high (in Colorado)

Rocky mountain high (in Colorado)

Now his life is full of wonder but his heart still knows some fear

Of a simple thing he cannot comprehend

Why they try to tear the mountains down to bring in a couple more

More people, more scars upon the land

And the Colorado rocky mountain high

I've seen it rainin' fire in the sky

I know he'd be a poorer man if he never saw an eagle fly

Rocky mountain high

Colorado rocky mountain high

I've seen it rainin' fire in the sky

Friends around the campfire and everybody's high

Saturday in the park

I think it was the Fourth of July

Saturday in the park

I think it was the Fourth of July

People dancing, people laughing

A man selling ice cream

Singing Italian songs

Eh Cumpari, ci vo sunari

Can you dig it? (Yes, I can)

And I've been waiting such a long time

For Saturday

Another day in the park

I think it was the Fourth of July

Another day in the park

I think it was the Fourth of July

People talking, really smiling

A man playing guitar

Singing for us all

Will you help him change the world

Can you dig it? (Yes, I can)

And I've been waiting such a long time

For today

Slow motion riders fly the colors of the day

A bronze man still can tell stories his own way

Listen children, all is not lost

All is not lost, oh no oh

Funny days in the park

Every day's the Fourth of July (Yes it is)

Funny days in the park

Every day's the Fourth of July

People reaching, really touching

A real celebration

Waiting for us all

If you want it, really want it

Can you dig it? (Yes, I can)

And I've been waiting such a long time

For the day, yeah yeah yeah

She's got a way about her  
I don't know what it is  
But I know that I can't live without her  
She's got a way of pleasing  
I don't know what it is  
But there doesn't have to be a reason anyway

She's got a smile that heals me  
I don't know why it is  
But I have to laugh when she reveals me  
And she's got a way of talking  
I don't know what it is  
But it lifts me up, When we are walking anywhere

She comes to me when I'm feelin' down  
Inspires me without a sound  
She touches me and I get turned around

She's got a way of showing  
How I make her feel  
And I find the strength to keep on going  
She's got a light around her  
And everywhere she goes

A million dreams of love

Surround her everywhere

She comes to me when I'm feelin' down

Inspires me without a sound

She touches me and I get turned around

Oh woo oh oh

She's got a smile that heals me

You can play the game and you can act out the part  
Though you know it wasn't written for you  
But tell me, how can you stand there with your broken heart?  
Ashamed of playing the fool

One thing can lead to another  
It doesn't take any sacrifice  
Oh, father and mother, sister and brother  
If it feels nice, don't think twice yes

Shower the people you love with love  
Show them the way that you feel  
Things are gonna work out fine if you only will  
(Do as I say, yes)  
Shower the people you love with love  
Show them the way you feel  
Things are gonna be much better if you only will

You can run but you cannot hide  
This is widely known  
And what you plan to do with your foolish pride  
When you're all by yourself alone

Once you tell somebody the way that you feel  
You can feel it beginning to ease  
I think it's true what they say about the squeaky wheel  
Always getting the grease

Better to shower  
the people you love with love  
Yes and show them the way that you feel  
I know things are gonna be just fine if you only will  
(What I like to do to you)  
Shower the people you love with love  
Show them the way you feel  
Things are gonna be much better if you only will

**Whoa** (Shower the people you love with love)  
**Yeah whoa yeah** (Show them the way that you feel)  
**You'll feel better right away** (Shower the people you love with love)

**Just like pouring rain** (Shower the people you love with love)  
**Make it rain** (Show them the way that you feel)

Something in her style that shows me

I don't want to leave her now

Oh, simple thing, where have you gone?  
I'm getting old, and I need something to rely on  
So tell me when you're gonna let me in  
I'm getting tired, and I need somewhere to begin

I came across a fallen tree  
I felt the branches of it looking at me  
Is this the place we used to love?  
Is this the place that I've been dreaming of?

Oh, simple thing, where have you gone?  
I'm getting old, and I need something to rely on  
So tell me when you're gonna let me in  
I'm getting tired, and I need somewhere to begin

And if you have a minute, why don't we go  
Talk about it somewhere only we know?  
This could be the end of everything  
So why don't we go  
Somewhere only we know?

## Take Me Home, Country Roads – () John Denver

[TOP](#)

Almost heaven, West Virginia  
Blue ridge mountains, Shenandoah river  
Life is old there, older than the trees  
Younger than the mountains, blowing like a breeze

Country roads, take me home

To the place I belong

West Virginia

Mountain mamma, take me home

Country roads

All my memories, gather round her  
Modest lady, stranger to blue water  
Dark and dusty, painted on the sky  
Misty taste of moonshine, teardrop in my eye

Country roads, take me home

To the place I belong

West Virginia

Mountain mamma, take me home

Country roads

I hear her voice in the morning hour she calls me  
Radio reminds me of my home far away  
Driving down the road I get a feeling  
That I should have been home yesterday, yesterday

Country roads, take me home

To the place I belong

West Virginia

Mountain mamma, take me home

Country roads

Country roads, take me home

To the place I belong

West Virginia

Mountain mamma, take me home

Country roads

Take me home, down country roads

Of you thinkin' that I have been untrue  
But if you think that we'd be better parted  
It's gonna hurt me, but I'll break away from you  
Well, just give me the sign and I will be gone, yeah

(That's how much I feel) feel for you, baby  
(How much I need) well I need your touch  
(How much I live) I live for your loving  
That's how much (that's how much)  
That's how much, that's how much

I sleep alone, and late at night I'm dreamin'  
Of the togetherness that seems to be leaving me  
I'd give it all and then I'd give some more  
If you would only love me like you had before  
Well, take hold of my hand and all will be forgiven, yeah

(That's how much I feel) feel for you, baby  
(How much I need) I need your touch  
(How much I live) I live for your loving  
(That's how much) that's how much  
That's how much, that's how much

So you try (try), try to stay in the middle  
And then you cry (cry), well you cry just a little  
Then you both realize  
Just how foolish you've been  
And you try to make amends  
But you're better off as friends  
'Cause that's how much (that's how much)  
That's how much, that's how much

How's your life been goin' on?  
I've got a wife now, years we've been goin' strong  
Oh, no, there's just something that I've got to say  
Sometimes when we make love  
I still can see your face  
Ooh, just try to recall  
When we were as one, yeah

I am just a poor boy  
Though my story's seldom told  
I have squandered my resistance  
For a pocketful of mumbles  
Such are promises  
All lies and jest  
Still, a man hears what he wants to hear  
And disregards the rest

*Hmmm mmmm*

When I left my home and my family  
I was no more than a boy  
In the company of strangers  
In the quiet of a railway station  
Running scared  
Laying low, seeking out the poorer quarters  
Where the ragged people go  
Looking for the places only they would know

Lie-la-lie...

Asking only workman's wages  
I come looking for a job

But I get no offers

Just a come-on from the whores on Seventh Avenue

I do declare there were times when I was so lonesome

I took some comfort there

Oh la la la la

Now the years are rolling by me, they are rocking evenly.

I am older than I once was,

and younger than I'll be - that's not unusual

No, it isn't strange, after changes upon changes we are more or less the same

After changes we are more or less the same

Lie-la-lie...

Then I'm laying out my winter clothes

And wishing I was gone

Going home

Where the New York City winters aren't bleeding me

Leading me, to

Going home

In the clearing stands a boxer

And a fighter by his trade

And he carries the reminders

Of every glove that laid him down

OR cut him 'til he cried out

In his anger and his shame  
"I am leaving, I am leaving"  
But the fighter still remains

Lie-la-lie...

# The Great Suburban Showdown – () Billy Joel

Flyin' east on a plane  
Drinkin' all that free champagne  
I guess I saw this comin' down the line  
And I know it should be fun  
But I think I should've packed my gun  
Got that old suburban showdown in my mind

Sit around with the folks  
Tell the same old tired jokes  
Bored to death on Sunday afternoon  
Mom and Dad, me and you  
And the outdoor barbecue  
Think I'm gonna hide out in my room

↑ I've been gone for a while  
Made some changes in my style  
And they say you can't go home anymore  
Well the streets all look the same  
And I'll have to play the game  
We'll all sit around in the kitchen chairs  
With the TV on and the neighbors there

Out in the yard

Where my Daddy worked so hard  
He never lets the crab grass grow too high  
Oh, the place hasn't changed  
And that's why I'm gonna feel so strange  
But I'll have to face the music bye and bye

↑ I've been gone for a while  
Made some changes in my style  
And they say you can't go home anymore  
Well the streets all look the same  
And I'll have to play the game  
We'll all sit around in the kitchen chairs  
With the TV on and the neighbors there

Drive into town  
When this big bird touches down  
I'm only comin' home to say goodbye  
Then I'm gone with the wind  
And I won't be seen again  
Till that great suburban showdown in the sky  
Till that great suburban showdown in the sky

# The Leader Of The Band – (E or F) ★ Dan Fogelberg

[TOP](#)

An only child alone and wild  
A cabinet maker's son  
His hands were meant for different work  
And his heart was known to none

He left his home and went his lone  
And solitary way  
And he gave to me a gift I know  
I never can repay

A quiet man of music  
Denied a simpler fate  
He tried to be a soldier once  
But his music wouldn't wait

He earned his love through discipline  
A thundering, velvet hand  
His gentle means of sculpting souls  
Took me years to understand

[ Chorus ]

The leader of the band is tired  
And his eyes are growing old  
But his blood runs through my instrument  
And his song is in my soul

My life has been a poor attempt  
To imitate the man

I'm just a living legacy  
To the leader of the band

My brothers' lives were different  
For they heard another call  
One went to Chicago  
And the other to St. Paul

And I'm in Colorado  
When I'm not in some hotel  
Living out this life I've chose  
And come to know so well

[ 8 bar instrumental break ]

I thank you for the music  
And your stories of the road  
I thank you for the freedom  
When it came my time to go

I thank you for the kindness  
And the times when you got tough  
And, papa, I don't think I  
Said 'i love you' near enough

[ Chorus ]

The leader of the band is tired  
And his eyes are growing old  
But his blood runs through my instrument  
And his song is in my soul

My life has been a poor attempt

To imitate the man

I'm just a living legacy

To the leader of the band

I am a living legacy to the leader of the band

# Time In A Bottle – (orig)

Jim Croce

[TOP](#)

If I could save time in a bottle  
The first thing that I'd like to do  
Is to save every day  
'Til eternity passes away  
Just to spend them with you

If I could make days last forever  
If words could make wishes come true  
I'd save every day like a treasure and then,  
Again, I would spend them with you

But there never seems to be enough time  
To do the things you want to do  
Once you find them  
I've looked around enough to know  
That you're the one I want to go  
Through time with

If I had a box just for wishes  
And dreams that had never come true  
The box would be empty  
Except for the memory  
Of how they were answered by you

But there never seems to be enough time

To do the things you want to do

Once you find them

I've looked around enough to know

That you're the one I want to go

Through time with

There's a light, a certain kind of light

That never shone on me

I want my life to be

Lived with you, lived with you

There's a way, everybody say

To do each and every little thing

But what does it bring

If I ain't got you, ain't got, hey

Babe, you don't know what it's like

Baby, you don't know what it's like

To love somebody, to love somebody

The way I love you

In my brain I see your face again

I know my frame of mind

You ain't got to be so blind

And I'm blind, so, so, sorrily blind

I'm a man, can't you see what I am?

I live and I breathe for you

But what good does it do

If I ain't got you, ain't got, hey

Babe, you don't know what it's like

Baby, you don't know what it's like

To love somebody, to love somebody

The way I love you

Oh, no, no! You don't know what it's like

All day staring at the ceiling  
Making friends with shadows on my wall  
All night hearing voices telling me  
That I should get some sleep  
Because tomorrow might be good for something  
Hold on  
Feeling like I'm headed for a breakdown  
And I don't know why

But I'm not crazy, I'm just a little unwell  
I know right now you can't tell  
But stay awhile and maybe then you'll see  
A different side of me  
I'm not crazy, I'm just a little impaired  
I know right now you don't care  
But soon enough you're gonna think of me  
And how I used to be, me

I'm talking to myself in public  
Dodging glances on the train  
And I know, I know they've all been talking about me  
I can hear them whisper  
And it makes me think there must be something wrong with me  
Out of all the hours thinking  
Somehow I've lost my mind

But I'm not crazy, I'm just a little unwell  
I know right now you can't tell  
But stay awhile and maybe then you'll see  
A different side of me  
I'm not crazy, I'm just a little impaired  
I know right now you don't care  
But soon enough you're gonna think of me  
And how I used to be

I've been talking in my sleep  
Pretty soon they'll come to get me  
Yeah, they're taking me away

But I'm not crazy, I'm just a little unwell

If there were no words

No way to speak

I would still hear you

If there were no tears

No way to feel inside

I'd still feel for you

And even if the sun refused to shine

Even if romance ran out of rhyme

You would still have my heart until the end of time

You're all I need, my love, my Valentine

All of my life

I have been waiting for

All you give to me

You've opened my eyes

And showed me how to love unselfishly

I've dreamed of this a thousand times before

In my dreams I couldn't love you more

I will give you my heart

Until the end of time

You're all I need, my love, my Valentine

[la, la, la, la ...]

And even if the sun refused to shine

Even if romance ran out of rhyme

You would still have my heart until the end of time

Cause all I need, is you, my Valentine

You're all I need, my love, my Valentine

Starry, starry night

Paint your palette blue and grey

Look out on a summer's day

With eyes that know the darkness in my soul

Shadows on the hills

Sketch the trees and the daffodils

Catch the breeze and the winter chills

In colors on the snowy linen land

Now I understand

What you tried to say to me

And how you suffered for your sanity

And how you tried to set them free

They would not listen, they did not know how

Perhaps they'll listen now

Starry, starry night

Flaming flowers that brightly blaze

Swirling clouds in violet haze

Reflect in Vincent's eyes of china blue

Colors changing hue

Morning fields of amber grain

Weathered faces lined in pain

Are soothed beneath the artist's loving hand

Now I understand

What you tried to say to me

And how you suffered for your sanity

And how you tried to set them free

They would not listen, they did not know how

Perhaps they'll listen now

For they could not love you

But still your love was true

And when no hope was left in sight

On that starry, starry night

You took your life, as lovers often do

But I could have told you, Vincent

This world was never meant for one

As beautiful as you

Starry, starry night

Portraits hung in empty halls

Frameless heads on nameless walls

With eyes that watch the world and can't forget

Like the strangers that you've met

The ragged men in the ragged clothes

The silver thorn, a bloody rose

Lie crushed and broken on the virgin snow

Now I think I know

What you tried to say to me

And how you suffered for your sanity

And how you tried to set them free

They would not listen, they're not listening still

Perhaps they never will

Put on my blue suede shoes  
And I boarded the plane  
Touched down in the land of the Delta Blues  
In the middle of the pouring rain  
W.C. Handy -- won't you look down over me  
Yeah, I got a first class ticket  
But I'm as blue as a boy can be

Then I'm walking in Memphis  
Walking with my feet ten feet off of Beale  
Walking in Memphis  
But do I really feel the way I feel

Saw the ghost of Elvis  
on Union Avenue  
Followed him up to the gates of Graceland  
Then I watched him walk right through  
Now security they did not see him  
They just hovered 'round his tomb  
But there's a pretty little thing  
Waiting for the King  
Down in the Jungle Room

When I was walking in Memphis  
I was walking with my feet ten feet off of Beale

Walking in Memphis

But do I really feel the way I feel

They've got catfish on the table

They've got gospel in the air

And Reverend Green be glad to see you

When you haven't got a prayer

[pause]

boy you've got a prayer in Memphis

Now Bob he plays piano

Every Friday like he should

And they brought me down to see him

And they asked me if I would --

Do a little number

And I sang with all my might

And he said --

"Tell me are you a Christian child?"

And I said "Damn, I am tonight"

Walking in Memphis

Walking with my feet ten feet off of Beale

Walking in Memphis

But do I really feel the way I feel

Walking in Memphis

Walking with my feet ten feet off of Beale

Walking in Memphis

But do I really feel the way I feel

Put on my blue suede shoes  
And I boarded the plane

Life, so they say

Should be dyin' but it's only just begun  
Like the twilight in the road up ahead  
They don't see just where we're goin'  
And all the secrets in the universe  
Whisper in our ears  
In all the years that come and go  
Take us up, always up

We may never pass this way again [3X]

Dreams, so they say  
Are for the fools and they let 'em drift away  
Peace, like the silent dove  
Should be flyin' but it's only just begun  
Like Columbus in the olden days  
We must gather all our courage  
Sail our ships out on the open seas  
Cast away our fears and  
All the years that come and go↑  
Take us up↑, always up↑

We may never pass this way again [3X]

(So) I want to laugh while the laughin' is easy

I want to cry when it makes it worthwhile

I may never pass this way again

That's why I want it with you

('Cause) You make me feel like I'm more than a friend

Like I'm the journey and you're the journey's end

[Verse 1]

Making your way in the world today

Takes everything you've got

Taking a break from all your worries

Sure would help a lot

Wouldn't you like to get away?

[Verse 2]

All those nights when you've got no lights

The check is in the mail

And your little angel hung the cat up by its tail

And your third fiance didn't show

[Chorus]

Sometimes you want to go

Where everybody knows your name

And they're always glad you came

You wanna be where you can see

Our troubles are all the same

You wanna be where everybody knows your name

[Verse 3]

Roll out of bed, Mr. Coffee's dead

The morning's looking bright

And your shrink ran off to Europe and didn't even write

And your husband wants to be a girl

Be glad, there's one place in the world

[Chorus]

Where everybody knows your name

And they're always glad you came

You want to go where people know, people are all the same

You want to go where everybody knows your name

They've seen things that you never quite say, but I hear

Come out of hiding, I'm right here beside you

And I'll stay there as long as you \_\_\_ let me

Because you matter to me

Simple and plain and not much to ask from somebody

You matter to me

I promise you do, you, you matter too

It's addictive the minute you let yourself think

The things that I say just might matter to someone

All of this time I've been keeping my mind on the running away

And for the first time I think I'd consider the stay

Because you matter to me

Simple and plain and not much to ask from somebody

You matter to me

And soon I will be there  
To brighten up even your darkest nights

You just call out my name  
And you know wherever I am  
I'll come running oh yeah baby  
To see you again  
Winter, spring, summer, or fall  
All you got to do is call  
And I'll be there, yeah, yeah yeah  
You've got a friend

If the sky above you  
Should turn dark and full of clouds  
And that old north wind  
Should begin to blow  
Keep your head together  
And call my name out loud now  
Soon I be knocking

Upon your door

You just call out my name

And you know where ever I am

I'll come running oh yes I will

To see you again

Winter, spring, summer, or fall yeah

All you got to do is call

And I'll be there, yeah yeah yeah

Hey, ain't it good to know

That you've got a friend?

People can be so cold

They'll hurt you

And desert you

Well, they'll take your soul

If you let them

Oh yeah, but don't you let them

You just call out my name

And you know wherever I am

I'll come running

To see you again, oh baby don't you know 'bout

Winter, spring, summer, or fall

Ain't now all you got to do is call

It's a little bit funny

This feeling inside

I'm not one of those who can easily hide

I don't have much money, but boy if I did

I'd buy a big house where we both could live

If I was a sculptor, ha

But then again, no

Or a man who makes potions in a traveling show

I know it's not much, but it's the best I can do

My gift is my song, and this one's for you

And you can tell everybody

This is your song

It may be quite simple, but now that it's done

I hope you don't mind

I hope you don't mind

That I put down in the words

How wonderful life is while you're in the world

I sat on the roof and kicked off the moss

Well a few of the verses, well they've got me quite cross

But the sun's been quite kind

While I wrote this song

It's for people like you that keep it turned on

So excuse me forgetting

But these things I do

You see I've forgotten, if they're green or they're blue

Anyway the thing is, what I really mean

Yours are the sweetest eyes I've ever seen

And you can tell everybody

This is the song

It may be quite simple, but now that it's done

I hope you don't mind

I hope you don't mind

That I put down in the words

How wonderful life is while you're in the world

All through the year

Waited through spring and fall

To hear silver bells ringing

See winter time bringing

The happiest season of all

Chestnuts roasting on an open fire

Jack Frost nipping at your nose

Yuletide carols being sung by a choir

And folks dressed up like Eskimos

Everybody knows a turkey and some mistletoe

Help to make the season bright

Tiny tots with their eyes all aglow

Will find it hard to sleep tonight

They know that Santa's on his way

He's loaded lots of toys and goodies on his sleigh

And ev'ry mother's child is gonna spy  
to see if Reindeer really know how to fly

And so, I'm offering this simple phrase  
To kids from one to ninety-two  
Altho' it's been said  
Many times many ways

Here we are as in olden days

Happy golden days of yore

Faithful friends who are dear to us

Gather near to us once more

Through the years we all will be together

If the fates allow

Hang a shining star upon the highest bough

And have yourself a merry little Christmas now

[ piano ]

Faithful friends who are dear to us

Gather near to us once more

Through the years we all will be together

If the fates allow

Hang a shining star upon the highest bough

And have yourself a merry little Christmas now

# Z-XMAS - Grown Up Christmas List – (F and D Major) Various

[TOP](#)

Do you remember me?

I sat upon your knee.

I wrote to you with childhood fantasies.

Well, I'm all grown up now,

I still need help somehow.

I'm not a child but my heart still can dream.

So here's my life- I o n g wish,

My grown-up Christmas list,

Not for myself, but for a world in need:

No more lives torn apart,

Then wars would never start,

And time would heal all hearts.

And every one would have a friend,

And right would always win,

And love would never end ~~

This is my grown-up Christmas list.

As children we believed

The grandest sight to see

Was something lovely wrapped beneath the tree.

Well, heaven surely knows

That packages and bows

Can never heal a hurting human soul.

No more lives torn apart,  
Then wars would never start,  
And time would heal all hearts.  
And every one would have a friend,  
And right would always win,  
And love would never end ~~  
This is my grown-up Christmas list.

What is this illusion called, the innocence of youth?  
Maybe only in our blind belief can we ever find the truth! ~~~

No more lives torn apart,  
Then wars would never start,  
And time would heal all hearts. ✨ ✨  
And every one would have a friend,  
And right would always win,  
And love ✨ would ✨ never ✨ end ~~~  
This is my grown-up Christmas list.  
This is my only lifelong wish,  
This is my grown-up Christmas list!

# Z-XMAS – O Holy Night – (B major)

Josh Grobin

[TOP](#)

[Verse 1]

O Holy night! The stars are brightly shining  
It is the night of our dear Savior's birth  
Long lay the world in sin and error pining  
'Til He appears and the soul felt its worth  
A thrill of hope the weary world rejoices  
For yonder breaks a new and glorious morn  
Fall on your knees; O hear the Angel voices!  
O night divine, O night when Christ was born  
O night, O Holy night, O night divine!

[Verse 2]

Led by the light of Faith serenely beaming  
With glowing hearts by His cradle we stand  
So led by light of a star sweetly gleaming  
Here come the Wise Men from Orient land  
The King of kings lay thus in lowly manger  
In all our trials born to be our friend  
He knows our need, to our weakness is no stranger  
Behold your King; before Him lowly bend  
Behold your King; before Him lowly bend

[Verse 3]

Truly He taught us to love one another;  
His law is love and His Gospel is Peace  
Chains shall He break, for the slave is our brother  
And in His name, all oppression shall cease  
Sweet hymns of joy in grateful chorus raise we  
Let all within us Praise His Holy name  
Christ is the Lord; O praise His name forever!  
Noel, Noel, the night when Christ was born  
Noel, Noel, O night, O Holy night!

# Z-XMAS – It's the Most Wonderful Time of the Year ( )

Andy Williams

[TOP](#)

It's the most wonderful time of the year

With the kids jingle belling

And everyone telling you "be of good cheer"

It's the most wonderful time of the year

It's the hap-happiest season of all

With those holiday greetings

And gay happy meetings when friends come to call

It's the hap-happiest season of all

There'll be parties for hosting

Marshmallows for toasting

And caroling out in the snow

There'll be scary ghost stories

And tales of the glories

Of Christmases long, long ago

It's the most wonderful time of the year

There'll be much mistletoeing

And hearts will be glowing when loved ones are near

It's the most wonderful time of the year

There'll be parties for hosting  
Marshmallows for toasting  
And caroling out in the snow  
There'll be scary ghost stories  
And tales of the glories  
Of Christmases long, long ago

It's the most wonderful time of the year  
There'll be much mistletoeing  
And hearts will be glowing when loved ones are near  
It's the most wonderful time  
Yes, the most wonderful time  
Oh, the most wonderful time  
Of the year

[Intro]

The sun is shining, the grass is green

The orange and palm trees sway

There's never been such a day

In Beverly Hills, LA

[pause] But it's De-cem-ber the twenty-fourth

[pause] And I am longing to be up North

[Verse 1]

I'm dreaming of a white Christmas

Just like the ones I used to know

Where the treetops glisten

And children listen

To hear sleigh bells in the snow

[Verse 2]

I'm dreaming of a white Christmas

With every Christmas card I write

May your days be merry and bright

And may all your Christmases be white

[Verse 3]

I'm dreaming of a white Christmas

Just like the ones I used to know

Where the treetops glisten

And children listen

With every Christmas card I write

May your days be merry and bright

And may all your Christmases be white
